**PLEASE DON'T BE A "NO SHOW"**

If you're unable to use your TCA reservation, please let us know. When your plans change or you decide to travel by some other means, we welcome a telephone call so we can make a confirmed seat available for someone else to travel. The no-show percentage approaches 30 percent on TCA's peakperiod flights. Often many of our customers who need confirmed seats cannot be accommodated because of reserved space that will not be used. So please call any TCA reservations number and let us know. You'll be helping your fellow travelers and you'll be helping TCA to serve you better.
