NO SMOKING. We ask that passengers not smoke on board TCA aircraft.

HAZARDOUS MATERIALS. For safety reasons, articles such as flammable liquids, corrosives, compressed gas or matches should not be placed in baggage. Federal Aviation Administration regulations limit the amount of compressed gas in aerosol cans, such as hairspray, shaving cream and deodorant, to a total of 32 ounces per passenger, with a maximum of 16 ounces per container.

RESPONSIBILITY OF TRANS-CENTRAL AIRLINES. TCA aims to maintain a high standard of service and the highest standards of safety in serving our customers. TCA will not be responsible for damages resulting from failure to depart or arrive at times stated in this timetable, not for failure to make connections with other flights. TCA will maintain the right to cancel flights or reservations whenever deemed advisable or necessary for safety, weather, or other reasons. Schedules and fees are subject to change without notice. Since holiday schedules may differ, please call your TCA Reservations Office for this information.

PLEASE DON'T BE A "NO SHOW"

If you're unable to use your TCA reservation, please let us know. When your plans change or you decide to travel by some other means, we welcome a telephone call so we can make a confirmed seat available for someone else to travel. The no-show percentage approaches 30 percent on TCA's peakperiod flights. Often many of our customers who need confirmed seats cannot be accommodated because of reserved space that will not be used. So please call any TCA reservations number and let us know. You'll be helping your fellow travelers and you'll be helping TCA to serve you better.
