the benefits of trying harder
We pay attention to important details.
(You, for example.)

Nothing gets by us. Not a reservation, a special request, or a frenzied family. Because being a great rental car company doesn't only mean having great services like Avis Preferred and Roving Rapid Return to get you in and out quicker, or point-to-point directions and 24-hour roadside assistance to make your trip easier. It means having employees who recognize when you're tired, confused or wearied from all the "are we there yet's," and then do something about it. It's a philosophy you might not expect from your rental car company. Maybe it's time you did.

AVIS
We try harder.
