# TAKE-A-FRIEND-FOR-FREE

Whenever we have surplus seats, we make them available in our ever-popular **Take-A-Friend-For-Free** program.

## Here's how it works:

1. You gotta be 18 or older.
2. You and your friend must fly round trip together.
3. Stay overnight, any night.
4. Make reservations at least one day in advance.

That's all there is to it. And our regular everyday low prices still apply. So c'mon along, and

**Take-A-Friend-For-Free.**

On Vanguard Airlines you can earn free travel by flying just eight round-trips. Pick up a frequent flyer program brochure at any Vanguard location.
