**VANGUARD AIRLINES** now offers three one-way price options in all markets. None of these prices require either a round-trip purchase or minimum stay (i.e. Saturday night).

### **14 DAY ADVANCE**

The 14 day price will generally be at the levels we previously announced as Winter Seat Sale prices and will allow us to keep this very low level past the original expiration date. We invite you to compare our 14 day advance purchase levels with other carriers' 21 day levels. And remember, while seats may be limited, you don't have to purchase round-trip or travel only on certain days.

### **7 DAY ADVANCE**

The 7 day price will generally be in line with our old off-peak price, but now we will be able to offer this lower level on flights throughout the day! Again seats may be limited.

### **WALK-UP**

Our walk-up price may vary by time of day or day of week, but will still be a great money saving deal that will be very competitive with any other carrier. Even if you can't plan ahead, Vanguard aims to save you money and keep air travel affordable.

As always, if you can't use a seat booked on Vanguard on the day you planned to travel, you have up to 90 days from the original flight date to travel with us. If you don't rebook and fly within 90 days, it's like a ball game ticket—you use it or lose it. There's a \$25 service charge for changing your mind (same day changes are no charge). Prices are subject to change until reservation is made and reservations must be paid for by midnight of the day following the original booking. Prices do not include the Passenger Facility Charge of up to \$6 which airports may add on.

## **FREQUENT FLYER PROGRAM**

With Vanguard's easy Frequent Flyer Program, you may earn free travel with just 8 round trips (16 one-way). Pick up a Frequent Flyer Program brochure at any Vanguard location.

## **TAKE-A-FRIEND-FOR-FREE**

Vanguard makes use of available seats on selected flights for our Take-A-Friend-For-Free Program. Just buy a round-trip ticket at Vanguard's full price (advance purchase and other discounted prices do not apply), and ask to Take a Friend For Free!
