Western Pacific Services

Thanks for flying with us today! Here's a list of some of the services we currently provide. If you would like more detailed information, please feel free to call any of the numbers listed below.

Cargo Services (800) 679-3701

Western Pacific Cargo Services offers four levels of cargo service. Western Pacific Pronto Pac gives you next flight service everywhere we fly, at very reasonable prices, for packages up to 70 pounds. For cargo up to 300 pounds per piece, take advantage of Western Pacific's General, Priority or Priority Plus service. We can deliver to your door or you can pick up your packages at the airport. Call Western Pacific Cargo the next time you need to send a bundle without spending one.

Fares General Reservations (800) 930-3030 TTY Reservations (800)679-3711

All purchased fares are non-refundable and are subject to availability. Ticketing must be completed within 72 hours after reservations are made and at least the minimum number of days prior to departure as specified in the advance purchase requirement for that fare. Fares do not include up to \$12 in additional Passenger Facility Charges per passenger. All purchases are non-refundable and fares are subject to availability. Changes may be made prior to scheduled departure time for a \$50 change fee per person, plus any increase in new fare. Failure to notify Western Pacific Airlines of itinerary changes prior to departure time or no-show will result in credit equal to value of original ticket less \$50 change fee per passenger. All fares are based on one-way travel with no minimum stay requirement or round-trip purchase requirement. Certain fares are subject to advance purchase requirements with fare difference for peak and off-peak travel times. Western Pacific also offers special reduced fares on night flights. Ask your Reservation Agents for details. All fares and change fees are subject to change without notice. Not all flights operate 7 days a week. Cities served by Western Pacific are subject to change without notice.

Groups (800) 679-3720

Western Pacific Airlines offers group bookings with discounted fares and flexible payment options for ten or more people traveling on the same itinerary. Contact the Western Pacific Group Reservations Department or have your Travel Agent contact us for more information.

Check-In Requirements

It is recommended that passengers check in luggage one hour prior to scheduled departure time. If passengers are purchasing reservations at the airport on the day of departure, it is recommended they be at the ticket counter ninety (90) minutes prior to flight time. Agents will begin issuing boarding cards at the departure gate one hour before flight time. Passengers without luggage may proceed directly to the gate area. Western Pacific Airlines may cancel any reservation that has not been issued a boarding card at least ten (10) minutes prior to scheduled departure time. Due to increased security measures, picture I.D. may be required.

* All 1000 series flights operated by Mountain Air Express

CARRY-ON BAGGAGE Subject to certain size and weight limitations, up to two bags may be stowed on board by each passenger. For flight series 1000, operated by Mountain Air Express, one carry-on bag is permitted. Maximum weight 45 pounds (20kg). For your convenience, use the Western Pacific baggage sizer to determine whether your baggage meets our carry-on requirements. Federal aviation regulations requires that carry-on baggage may be limited to one piece on full flights. Passengers with excess carry-on items and those that cannot be properly stowed will be required to check them. Assistive devices such as canes, walkers and crutches will not count toward the limit on carry-on items. A briefcase is considered one of the allotted pieces, as are garment bags. All bags must have identification including name, address and telephone number attached to the exterior of the bag.

BAGGAGE ALLOWANCE For each ticketed passenger, Western Pacific will transport free of charge three bags not exceeding 62" (158 cm), 55" (140 cm) and 41" (104 cm) respectively in overall dimensions (H+L+W). A maximum weight of 70 pounds (32 kg.) per checked bag is permitted. For flight series 1000, operated by Mountain Air Express, different limits may apply and certain types of baggage are accepted subject to weight and space limitations of the aircraft.

BAGGAGE HINTS FOR YOUR CONVENIENCE Outside identification is required on all checked baggage. We also recommend inside identification. **Always carry medications, valuables and breakable objects in your carry-on baggage.** Always lock your luggage. Western Pacific is not liable for loss or damage to straps, wheels, fragile items improperly packaged items, flimsy garment bags, perishables, items for commercial use or resale, or valuables such as but not limited to money, art, antiques, heirlooms, collections, musical instruments, toys, documents, electronic equipment, cameras, computer equipment and accessories, media for the storage of data/audio/video, and jewelry. Special rules apply with respect to the acceptance of dry ice, wheelchairs and wheelchair batteries, canes, firearms, delicate scientific equipment or musical instruments to be carried in the passenger compartment, sporting equipment, and animal horns or antlers. Additional baggage charges may apply to some of the foregoing special items.

ADVANCE NOTICE REQUIREMENTS Western Pacific will require 48 hours advance notice and one hour advance check-in for a qualified handicapped individual who wishes to receive: 1) Provision for hazardous material packaging for a battery used for a wheelchair or other assistive device, or 2) Accommodations for a group of ten or more qualified handicapped individuals who make reservations and travel as a group. If advance notice or check-in requirements are not met, the services will still be provided if Western Pacific can do so without causing a flight delay.

EXCESS BAGGAGE CHARGES An excess fee will be charged for each piece of baggage over the free allowance and for each piece of oversized or overweight baggage. Charges are assessed for each maximum exceeded. A charge may apply to special items such as bicycles, scuba gear, surfboards, etc. ***NOTE:** Overall baggage limit is three pieces. You may check three bags when there are no carry-on pieces, check two bags and carry on one piece, or check one bag and carry on two pieces.

FIREARMS IN CHECKED BAGGAGE Federal regulations require that firearms in checked baggage must be declared when baggage is presented for checking. Firearms must be unloaded and packed in locked luggage or container manufactured specifically for shipment. Ammunition must be securely packed in manufacturer's original container or equivalent.

NOTICE OF BAGGAGE LIABILITY LIMIT Liability for loss, delay or damage to baggage is limited as follows unless a higher value is declared in advance and additional charges are paid: (1) for travel wholly between U.S. points, Western Pacific's maximum liability is USD1250 per ticketed passenger for checked baggage; (2) for most international travel (including domestic portions of international journeys), Western Pacific's maximum liability is USD9.09 per pound (USD20 per kilo) per ticketed passenger for checked baggage and USD 400 per ticketed passenger for carry-on baggage. For international travel, the weight of each piece of checked baggage will establish the liability limit. Maximum liability is limited to the carrier's free weight allowance unless excess weight is noted and additional charges are paid. It is important that any irregularities involving your property such as loss, damage or delay, be reported within 4 hours after arrival of domestic flight.
