LEAVE SCHOOL.

Western Pacific would never encourage you to do anything foolish. It's just that when holidays and vacations come along, our new Student Fares Program makes it so easy to get off campus. We've even got a special Student Hotline, **1-800-556-2914**, to give you the low-fare lowdown. Or call your professional Travel Agent. And because we went to college too, plan to show current student photo ID before boarding.

WESTERN PACIFIC
THE CAN DO SPIRIT IS BACK!

Fares are valid only for students of an accredited university or college between the ages of 17 and 28 years. Passenger must present proof of age such as birth certificate, drivers license, student ID showing age, or US Passport at time of ticketing and check-in plus proof of student status such as college ID. Restrictions apply. Cities served subject to change without notice. © 1997 Western Pacific Airlines

Fares General Reservations (800) 930-3030

TDD Reservations (800) 679-3711 All purchased fares are subject to availability and some are non-refundable. Ticketing on most fares must be completed within 72 hours after reservations are made and at least the minimum number of days prior to departure as specified in the advance purchase requirement for that fare. Fares do not include \$3 to \$12 in additional Passenger Facility Charges per passenger. Changes may be made for a \$50 change fee per person plus any increase of airfare. \$50 change fee does not apply to fares booked in one of the following refundable classes of service: B/Q/Y. Certain fares are subject to advance purchase requirements with fare difference for peak and off-peak travel times. Peak and off-peak travel times vary by market. Western Pacific Airlines/Mountain Air Express also offers special reduced fares on some night flights. Western Pacific does not operate night flights in all markets. All fares, fare rules and change fees are subject to change without notice. Not all flights operate 7 days a week. Cities served by Western Pacific Airlines/Mountain Air Express are subject to change without notice.

Groups (800) 679-3720 Western Pacific Airlines offers group bookings with discounted fares and flexible payment options for ten or more people traveling on the same itinerary. Contact the Western Pacific Group Reservations Department or have your Travel Agent contact us for more information.

Airline Partners Mountain Air Express is an airline partner which uses Western Pacific flight numbers 1000 - 1999. Flights carrying a "W7" designator that are operated by Mountain Air Express are known as "code share" flights. The rules and regulations of the operating carrier generally apply for code share flights and may differ from Western Pacific's rules and regulations. Check with Western Pacific for additional information.

Check-In Requirements It is recommended that passengers check in luggage one hour prior to scheduled departure time. If passengers are purchasing reservations at the airport on the day of departure, it is recommended they be at the ticket counter ninety (90) minutes prior to flight time. Agents will begin issuing boarding cards at the departure gate one hour before flight time. Passengers without luggage may proceed directly to the gate area. Western Pacific Airlines/Mountain Air Express may cancel any reservation that has not been issued a boarding card at least ten (10) minutes prior to scheduled departure time. Due to increased security measures, picture I.D. may be required.

CARRY-ON BAGGAGE Subject to certain size and weight limitations, up to two bags may be stowed on board by each passenger. Maximum weight 45 pounds (20kg). For your convenience, use the Western Pacific baggage sizer to determine whether your baggage meets our carry-on requirements. Federal aviation regulations requires that carry-on baggage may be limited to one piece on full flights. Passengers with excess carry-on items and those that cannot be properly stowed will be required to check them. Assistive devices such as canes, walkers and crutches will not count toward the carry-on baggage limit. A briefcase is considered one of the allotted pieces, as are garment bags. All bags must have identification including name, address and telephone number attached to the exterior of the bag. Code share flights may have more restrictive carry-on limitations. Check with Western Pacific for additional information.

BAGGAGE HINTS FOR YOUR CONVENIENCE Outside identification is required on all checked baggage. We also recommend inside identification. **Always carry medications, valuables and breakable objects in your carry-on baggage.** Always lock your luggage. Western Pacific is not liable for loss or damage to straps, wheels, fragile items improperly packaged items, garment bags, perishables, items for commercial use or resale, or valuables such as but not limited to money, art, antiques, heirlooms, collections, commercial goods, musical instruments, toys, documents, electronic equipment, cameras, computer equipment and accessories, media for the storage of data/audio/video, watches and jewelry. Special rules apply with respect to the acceptance of dry ice, wheelchairs and wheelchair batteries, canes, firearms, delicate scientific equipment or musical instruments to be carried in the passenger compartment, sporting equipment, and animal horns or antlers. Additional baggage charges may apply to some of the foregoing special items.

BAGGAGE ALLOWANCE For each ticketed passenger, Western Pacific will transport free of charge three bags not exceeding 62" (158 cm), 55" (140 cm) and 41" (104 cm) respectively in overall dimensions (H+L+W). A maximum weight of 70 pounds (32 kg.) per checked bag is permitted. Different limits may apply for code share flights. Check with Western Pacific for additional information.

EXCESS BAGGAGE CHARGES An excess fee will be charged for each piece of baggage over the free allowance and for each piece of oversized or overweight baggage. Charges are assessed for each maximum exceeded. A charge may apply to special items such as bicycles, scuba gear, surfboards, etc. **NOTE:** Overall baggage limit is three pieces. You may check three bags when there are no carry-on pieces, check two bags and carry on one piece, or check one bag and carry on two pieces.

NOTICE OF BAGGAGE LIABILITY LIMIT Liability for loss, delay or damage to baggage is limited as follows unless a higher value is declared in advance and additional charges are paid: (1) for travel wholly between U.S. points, Western Pacific's maximum liability is USD1250 per ticketed passenger for checked baggage; (2) for most international travel (including domestic portions of international journeys), Western Pacific's maximum liability is USD9.09 per pound (USD20 per kilo) per ticketed passenger for checked baggage and USD400 per ticketed passenger for carry-on baggage. For international travel, the weight of each piece of checked baggage will establish the liability limit. Maximum liability is limited to the carrier's free weight allowance unless excess weight is noted and additional charges are paid. It is important that any irregularities involving your property such as loss, damage or delay, be reported within 4 hours after arrival of domestic flight.

FIREARMS IN CHECKED BAGGAGE Federal regulations require that firearms in checked baggage must be declared when baggage is presented for checking. Firearms must be unloaded and packed in locked luggage or container manufactured specifically for shipment. Ammunition must be securely packed in manufacturer's original container or equivalent.

ADVANCE NOTICE REQUIREMENTS Western Pacific requests 48 hours advance notice and one hour advance check-in for a qualified handicapped individual who wishes to receive: 1) Provision for hazardous material packaging for a battery used for a wheelchair or other assistive device, or 2) Accommodations for a group of ten or more qualified handicapped individuals who make reservations and travel as a group. If advance notice or check-in requirements are not met, the services will still be provided if Western Pacific can do so without causing a flight delay.
