OUR TEAM ALWAYS DOES WELL ON THE ROAD.

At National Car Rental, our Big Green Team is over 12,000 strong. Our reservationists handled over 3½ million reservations last year for our more than 2,000 worldwide locations. To get this big in the car rental league, you have to be good. Every time out. That's why our reservationists are trained to handle your reservation quickly and efficiently. Why our service agents in the U.S. actually sign their names to our 13-point Maintenance Check-List and hang it in your car before you rent it. And with Green Lite® Service, our counter representatives have your rental agreement filled out and waiting for your arrival. We also offer S&H Green Stamp certificates on rentals in all 50 U.S. states. The Big Green Team goes out of its way, in lots of ways, to make your road trip go as smoothly as possible. Every time out. For reservations, see your travel consultant or call toll-free from Alaska and Hawaii 800-328-6321. (In other parts of the U.S. call 800-328-4567. In Canada call collect 612-830-2345. In Minnesota call 800-862-6064.)

We feature GM cars like this Oldsmobile Cutlass.
