- **Save expense.** Always ask your travel agent or Wings to check available joint fares in and out of Blue Bell.
- **Save time.** An hour or so before your scheduled Blue Bell departure, call the Flight Hotline at (215) 540-0980 for any final instructions to help you make your connecting flight in Philadelphia or Washington.
- **Save hassle.** Residents may unload baggage at the terminal and then park free. Visitors may rent cars with Budget or use airport courtesy phones for rides to local hotels.
- **Save your options.** Connections and fares over Washington are sometimes more attractive than Philadelphia. Wings offers you either option.
