GENERAL PASSENGER INFORMATION

RESERVATIONS—When a reservation for space is confirmed by an agent of the company, it is subject to the purchase of a ticket by the time limit agreed upon by the passenger and World, or if there is no agreement, at the minimum time before flight departure listed in World’s tariff rules.

SCHEDULES—World Airways reserves the right to cancel or change schedules without notice. Safety is our primary consideration. Schedules shown are based on expected flying times. Because weather and other factors may affect operating conditions, departure and arrival times cannot be guaranteed.

BAGGAGE—All luggage or packages carried in the cabin or checked in the cargo space of aircraft are considered baggage. A coat, umbrella, pocketbook, small camera or binoculars, infant food and reading material for the flight is not included as baggage.

CARRY-ON BAGGAGE—Baggage carried on board must not exceed 8x16x21 inches (20x40x53cm) and must be placed under a passenger seat or in an approved overhead latched cabin compartment. Acceptability of carry-on baggage for storage in the overhead compartment is dependent on the weight of the baggage.

CHECK-IN TIME—Passengers are requested to check in at flight departure gate at least 30 minutes before scheduled departure time of domestic flights and at least 1 hour before scheduled departure time of international flights. Reservations are subject to cancellation and passengers will not be eligible for denied boarding compensation when check-in is less than 10 minutes prior to departure time of domestic flights and 40 minutes prior to departure time of international flights.

IN-FLIGHT SERVICE—Liquor is available for purchase by Coach/Economy passengers and complimentary to First Class passengers. Soft drinks, milk, and coffee are available free of charge to all passengers. Music and first run motion pictures are available on selected World flights; there is a \$2.50 charge for headset rental for Coach/Economy passengers and complimentary for First Class passengers. No smoking areas are provided on every aircraft and passengers seated in these areas must adhere to the regulation against smoking. Cigar and pipe smoking is not permitted in any area of the aircraft.

ALCOHOLIC BEVERAGES—Federal Aviation Administration regulations provide that no persons may drink alcoholic beverages aboard an aircraft unless they have been served by the airline, and no such beverage may be served to any person who appears intoxicated.

INTERNATIONAL TRAVEL—An international trip may require the need for valid travel documents for which passengers are responsible. Any question concerning required documents may be resolved by contacting the appropriate consulate or embassy.
