RESERVATIONS—When a reservation for space is confirmed by an agent of the company, it is subject to the purchase of a ticket by the time limit agreed upon by the passenger and World Airways, or if there is no agreement, at the minimum time before flight departure listed in World's tariff. Failure to do so will result in cancellation of the reservation.

NO SMOKING—No smoking areas are provided on every aircraft and passengers seated in these areas must adhere to the regulation. Cigar and/or pipe smoking is not permitted in any area of the aircraft.

GUARANTEED AIR FARE—World Airways guarantees that, if fares increase, there will be no additional charges if the passenger has purchased his ticket, and provided the passenger does not voluntarily change the originating flight on the itinerary. Should there be a decrease in fares after ticket purchase, the passenger may be eligible for a refund or credit of the difference in fares.

SCHEDULES—World Airways reserves the right to cancel or change schedules without notice. Safety is our primary consideration. Schedules shown are based on expected flying times. Because weather and other factors may affect operating conditions, departure and arrival times cannot be guaranteed. World Airways will not be responsible for failure to make connections with flights of other airlines, or this company, nor for errors herein.

CHECK-IN TIME—Passengers must check in for domestic flights at least thirty (30) minutes prior to scheduled departures, as well as present themselves at the airport loading gate at least ten (10) minutes prior to scheduled departure time. For International flights, passengers must check-in at the airport at least one hour prior to scheduled departure time. World reserves the right to cancel reservations of any passenger who fails to meet these requirements. Such cancellation will cause the passenger to be ineligible for Denied Boarding Compensation.

BAGGAGE—All luggage or packages carried in the cabin or checked in the cargo space of aircraft are considered baggage. A coat, umbrella, pocketbook, small camera or binoculars, infant food and reading material for the flight is not included as baggage.

IDENTIFICATION—All checked baggage is required to have the passenger's name on the outside. Baggage labels are available at no cost at all World Airways offices.

CARRY-ON BAGGAGE—Each passenger may carry on board one piece of luggage not to exceed 8x16x21 (20x40x53cm) inches suitable for stowage under a seat or in an overhead compartment.

FREE ALLOWANCE—Each passenger may check two (2) pieces of luggage, size not to exceed 62 inches (157cm) each (length + width + height), weight not to exceed 70 pounds (31.8kgs) each.

EXCESS BAGGAGE—Baggage that does not qualify as free allowance will be charged for at published tariff rates.

LIABILITY—The company's liability for loss or damage is limited to the amount published in official tariffs. You may declare extra value by paying a nominal charge before departure.

ALCOHOLIC BEVERAGES—Federal Aviation Administration regulations provide that no persons may drink alcoholic beverages aboard an aircraft unless they have been served by the airline, and no such beverage may be served to any person who appears intoxicated.

ACCEPTABLE CREDIT CARDS: Visa, Master Charge, American Express, Diner's Card, Carte Blanche and UATP.
