## New Class of Service Added to Atlantic Run

Lowest Fares Ever!

PAN AMERICAN'S Thrift Fares on new *economy-class* service are 20% lower than tourist-class. They are the lowest normal year-'round transatlantic fares in history!

More than half of all Clipper service this summer across the Atlantic will feature this new class of service — as many as 47 flights weekly in each direction.

Following a tradition with Pan Am, our best and fastest airliners are operated on our *lowest-cost* service. Thrift Fares apply not only on famous radar-equipped "Super-6" Clippers, but also on "Super-7" Clippers — pride of Pan Am's world-wide fleet. These Douglas-built DC-7Cs hold over 15 transatlantic speed records.

And, you get Pan Am's priceless overseas experience on every flight. You pay nothing extra for it. Money can't buy it on any other airline. You're in the hands of people trained to meet the most exacting standards in the world.

This new class of service is truly fine transportation at economy rates. Thrift Fares include tasty sandwich meals and light beverages, and a generous baggage allowance of 44 pounds. Sample round-trips: New York-Shannon \$408.<sup>60</sup>, London \$453.<sup>60</sup>, Paris \$489.<sup>60</sup>, Rome \$591.<sup>50</sup>.

With the introduction of Thrift Fare service, Pan Am continues to carry out its historic philosophy: "Travel, like education, need no longer be a luxury."

HOW TO USE THE TIME TABLE

**TO FIND DESIRED SERVICE**—Locate origin and destination in the List of Cities, Pages 46-47, and refer to Table Numbers common to both.  
**LIST OF CITIES**—A list of principal cities, offices, airports, transfer times and charges are on Pages 46 and 47.  
**ROUTE MAP**—A world map, on which Pan American World Airways System routes are indicated, will be found on Pages 24-25.  
**THE 24-HOUR CLOCK IS USED IN THIS TIME TABLE**—Times shown between 0:01 (1 minute after midnight) and 12:00 (noon) are A.M. times and are shown in

lightface type. Times shown from 12:01 to 24:00 are P.M. times and are shown in boldface type. To convert P.M. times to 12-hour clock, subtract 12 hours.  
**TIME ZONES—Arrival and Departure Times**—All times shown in this timetable are Local Meridian (Standard) Times.  
**G. M. T.**—The column on the left of schedule pages gives the hours the cities are fast (+) or slow (−) in relation to Greenwich Meridian Time (Zero Meridian—0°).  
**PASSENGER FARES**—Passenger fares between many important points on the Pan American World Airways System are given on Pages 41 through 45.

The general information shown below is subject to specific limitations and regulations contained in official Passenger and Cargo Tariffs, which are available for inspection at any Pan American office. **SCHEDULES AND TYPES OF AIRCRAFT are subject to change without notice.**

PASSENGER INFORMATION

**When requesting reservations please specify class of service.**  
**INCLUSIVE TOURS:** Pan Am Holidays are available to most of the destinations listed in this timetable. For complete details, consult your travel agent or any office of Pan American.  
**TRAVEL FUNDS:** You are urged to carry the major portion of your funds in the form of Travelers' Cheques, Money Orders, Letters of Credit, etc. However, cash—preferably U. S. dollars—in small denominations should also be available.  
**PASSPORTS AND VISAS:** In order to travel from one country to another, you must in most cases have a valid passport appropriately visaed where required, and other permits for certain countries. While we normally have available all the latest information, we are not responsible for its accuracy and urge you to consult the nearest consulate of the country you propose to visit in order to obtain official advice.  
**ARRIVAL AT EMBARKATION POINTS:** There are certain governmental formalities which must be completed before an international flight may depart, and we must request that you arrive at the designated point—either airport or city dispatch office—in time for the completion of these formalities (your ticket envelope will bear a notation of the appropriate time and place). Flights will not be delayed to accommodate passengers arriving too late for completion of these formalities.  
**FARES:** Fares for round trips and circle trips are generally 10% less than the sum of the one-way fares for such a trip, and considerably greater savings are available on some routes at certain times of the year.  
**Children's Fares:** Accompanied children two years of age or over, but under twelve, will be charged half of the normal adult fare. Children under two years of age generally will be charged 10% of the normal adult fare, except that no charge will be assessed for carriage wholly within the area comprised of Alaska, Canada, Cuba, Dominican Republic, Haiti, Jamaica, Mexico, Nassau, Puerto Rico and/or the Continental U.S.A. Only one child under two years of age not occupying a seat will be carried free (or at 10% as above) with each accompanying adult; additional children will be charged half fare. For other fares of accompanied and unaccompanied children see Official Tariff.  
**Berths:**—Are available at extra charge on all PAA First Class Flights in the Round The World, Atlantic and Pacific services, also available on PAA and PANAGRA Latin America services. See page 45 for charges.  
**RECONFIRMATION OF RESERVATIONS:** Wherever you stopover, please reconfirm your intention to use your return or continuing reservation. Please advise the nearest office or general agency in person or by telephone, wire, cable, radio or mail and include your local address or telephone number in the city where you will board your flight. Failure to receive reconfirmation advice prior to the appropriate time limit indicated will necessitate cancellation of your reservations if space is needed

for other passengers. Help yourself, the airlines and other travelers by compliance with the preceding requests.  
**STOPOVERS:** You may arrange to stop over at any scheduled stop on your trip—with a few exceptions—provided that you arrange for stopovers prior to departure from the airport preceding your desired stopover.  
**MEALS:** In First and Tourist Class services complimentary meals are served aloft or on the ground at conventional mealtimes, except that no complimentary meals will be served on Tourist or Thrift Flights between New York/Miami and San Juan.  
**TAXES:** Transportation taxes imposed by some governments are not included in the fares quoted and will be collected where they apply.  
**BAGGAGE:** Passengers paying the adult applicable fare are allowed the following free baggage allowances which shall include both checked and unchecked baggage, except as otherwise provided:  
**First Class Services:** Generally 30 kilograms (66 pounds).  
**Tourist Class Services:** Generally 20 kilograms (44 pounds).  
**Combined Services:** For through journeys where travel is partly via First Class Service and partly via Tourist Class, the free baggage allowance for each portion of the trip is that applicable to the class of service for which the fare is paid. A passenger paying a First Class fare but traveling via Tourist Class Service is entitled to the First Class free baggage allowance.  
**Children** paying 1/2 fare are granted free baggage allowance on the same basis as a passenger paying the adult fare and subject to the same exceptions.  
**Children** traveling free or at the 10% fare receive no free baggage allowance.  
**All baggage** must be weighed including brief cases, typewriters and large cameras, whether or not they are checked or carried aboard by the passenger. The only exceptions are: lady's handbag or pocketbook; an overcoat or wrap; a footrug; an umbrella or walking stick; a small camera and a pair of binoculars; a reasonable amount of reading matter for the flight; an infant's food for consumption enroute, an infant's carrying basket or bassinot, a fully collapsible wheelchair, only for passenger dependent upon such equipment.  
**Excess Weight Charges:** All baggage in excess of the above free allowances will be charged for at 1% of the normal adult first class one-way fare per kilo. See Official Tariff for special charges for transportation of Ski Equipment.  
**Excess Value** may be declared on baggage at a nominal charge.  
**Cabin and Checked Baggage**—Since checked baggage will not be available during flight, it is suggested that on flights which include overnight travel you should carry a small overnight bag for toilet articles, etc., which you may carry in the cabin.  
**Forwarding Unaccompanied Baggage**—Forwarding arrangements for unaccompanied baggage should be completed well in advance of departure.

CARGO INFORMATION

**CARGO SERVICE IS AVAILABLE ON ALL SERVICES SHOWN IN THIS TIME TABLE**  
**RATES** are attractive and decrease as the weights of the shipments increase; classified and specific commodity rates offer additional advantages between many points.  
**PACKING.** Light weight packing is sufficient for air cargo.  
**AVAILABILITY.** Confirmed space for shipments from a few kilos/pounds up to 12 tons can be reserved to most places in 80 countries.

**C.O.D. service** for many destinations possible at nominal charges.
