Take The Hops That Skip The Stops.

Stopping in busy, congested airports when you don't have to is a waste of time. And patience.

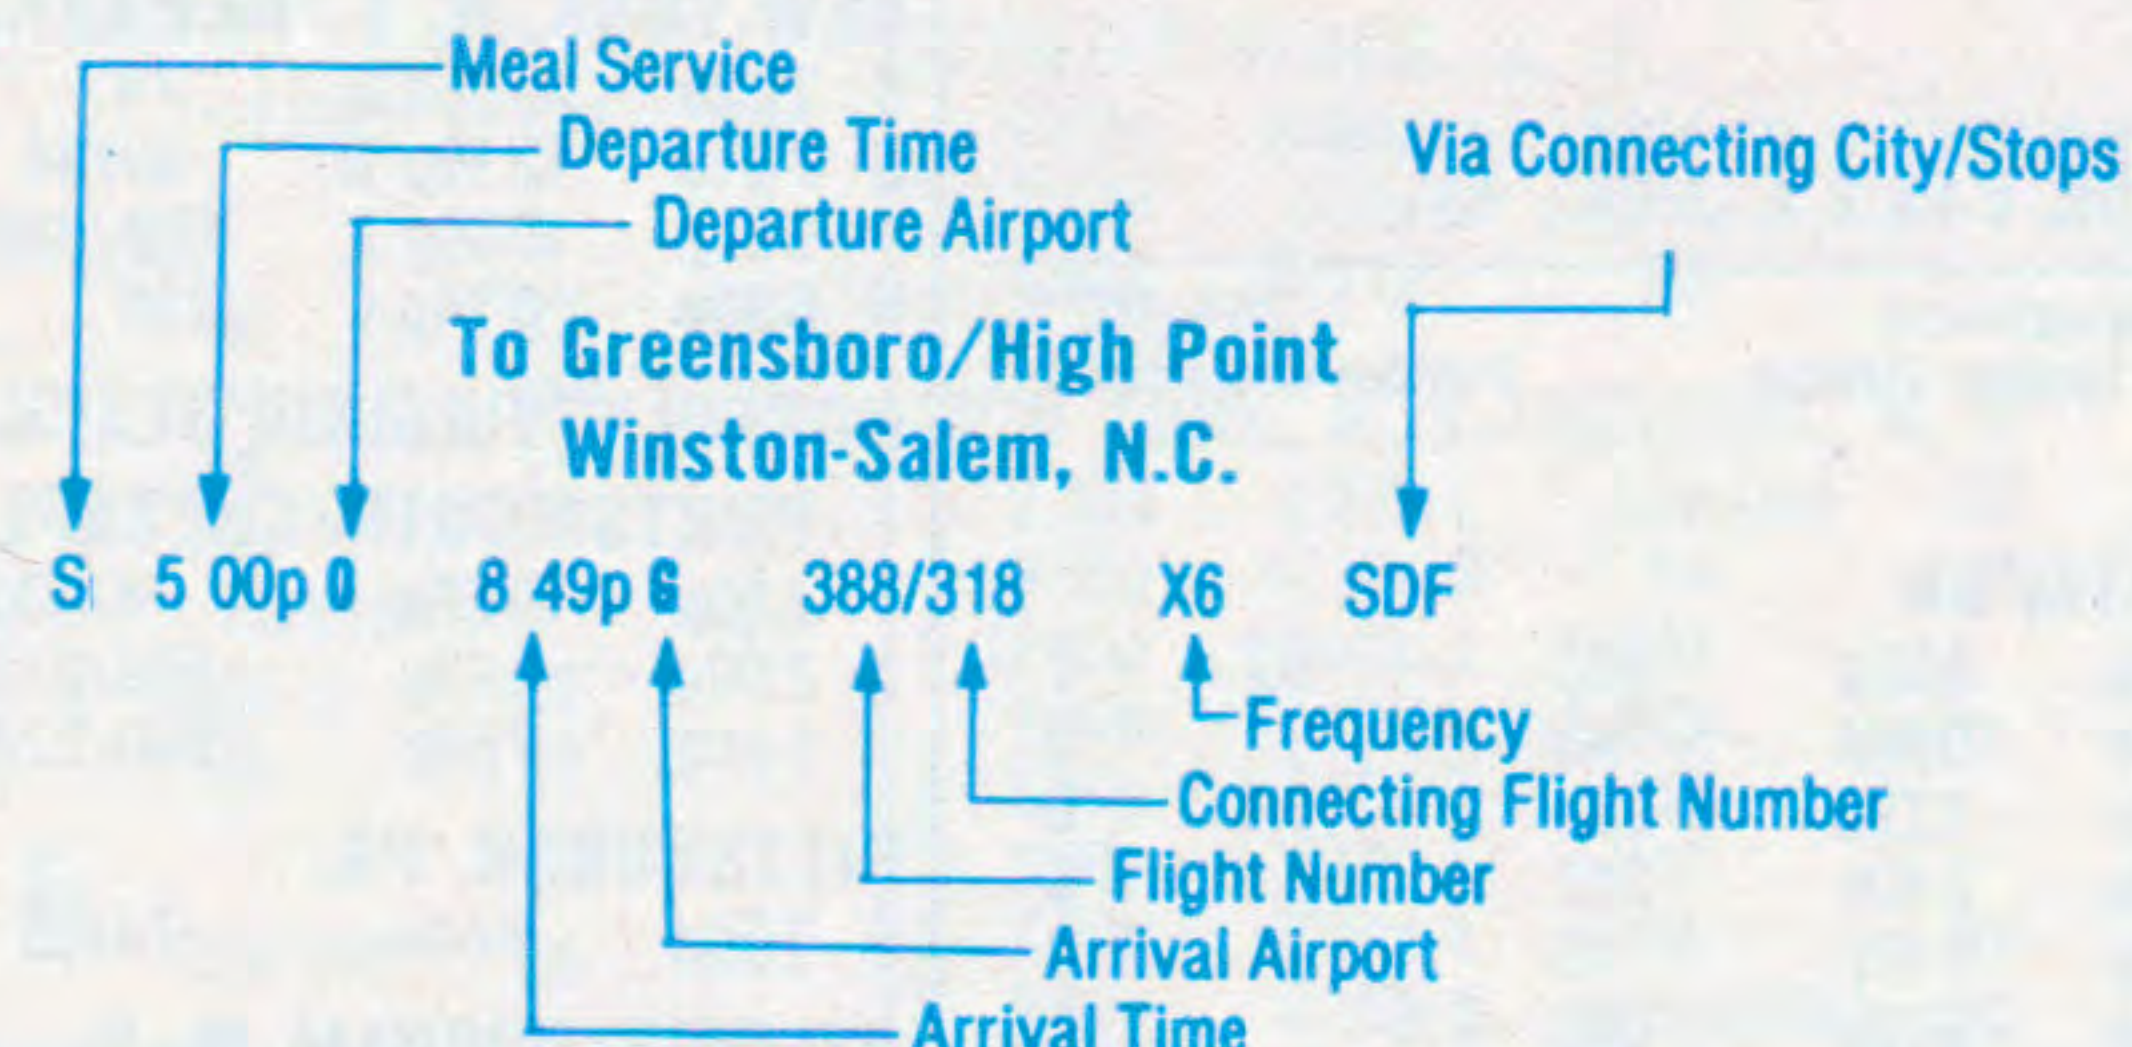

That's why we've been adding new routes that take you around the congestion, and even our directs can probably get you there faster, since most of our stops are in smaller, less congested airports.

Your travel agent can tell you about all these services. Or call us direct. And start taking the hops that skip the stops.

Piedmont. The Number 1 Airline In The Mid-East USA. With More Non-Stops North, West And South.

No other airline flies to more cities in the Mid-Eastern United States than we do. And now we're adding more and more non-stops and directs out of the Mid-East.

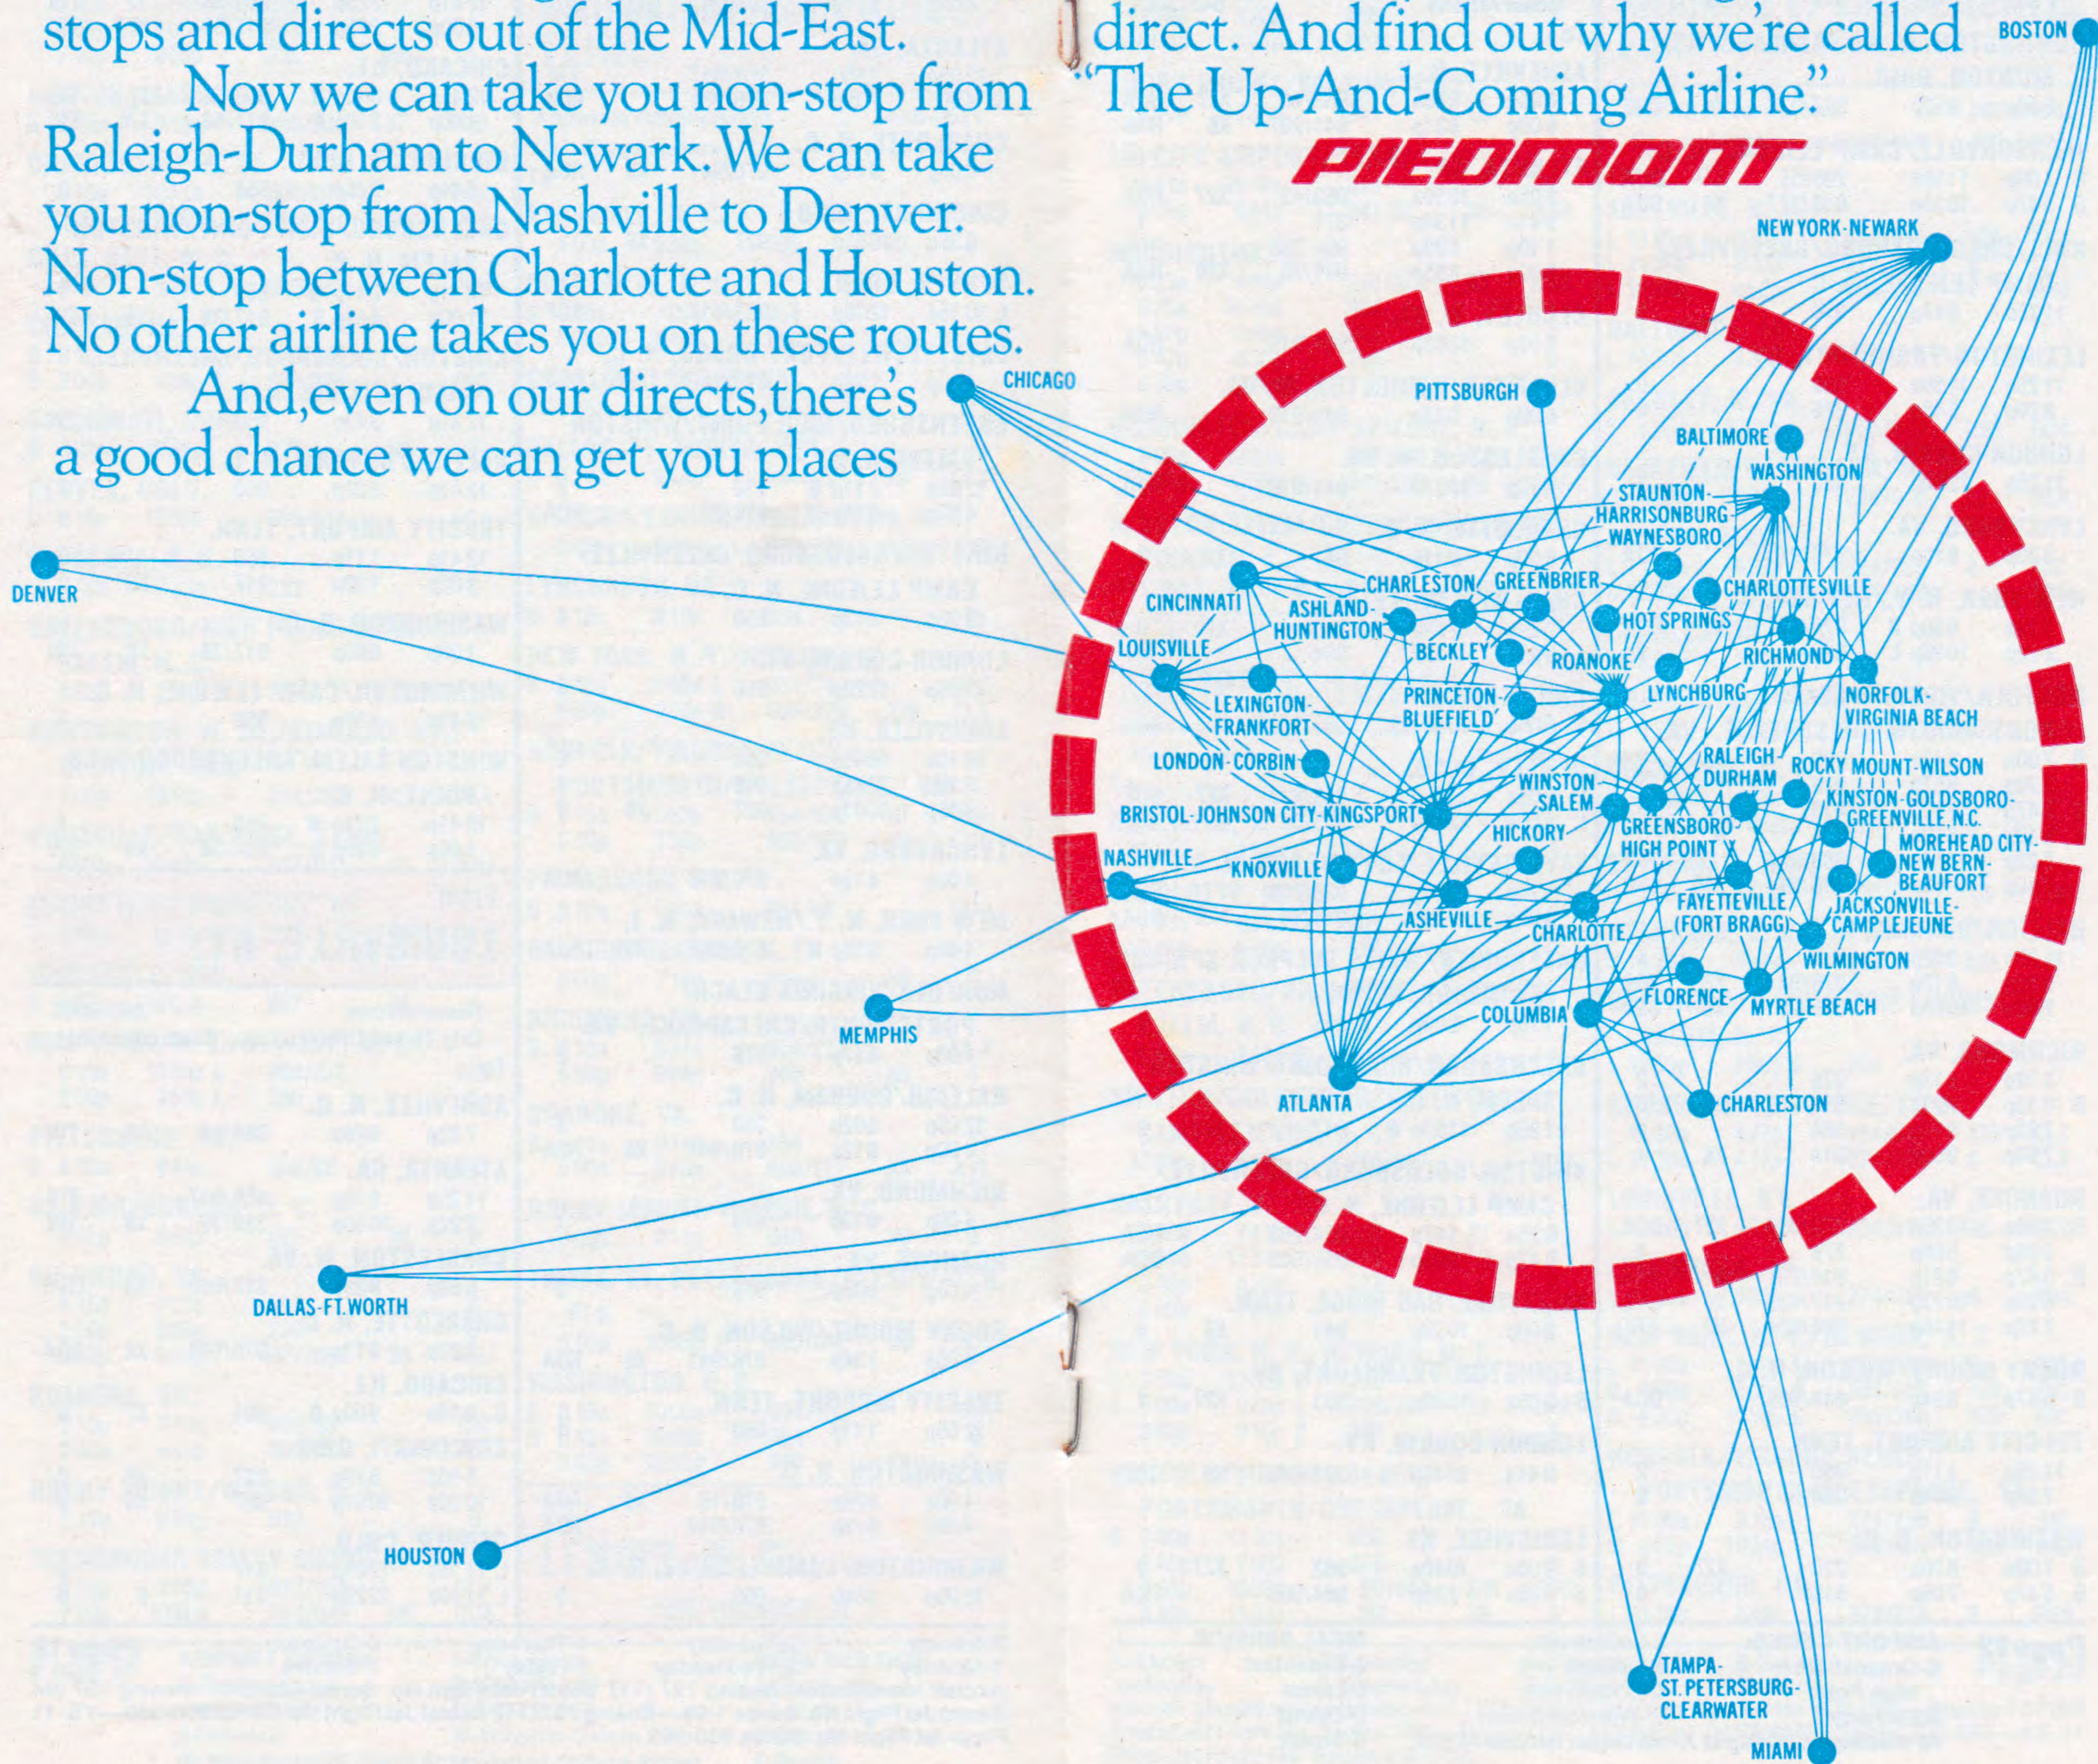

Now we can take you non-stop from Raleigh-Durham to Newark. We can take you non-stop from Nashville to Denver. Non-stop between Charlotte and Houston. No other airline takes you on these routes.

And, even on our directs, there's a good chance we can get you places

faster, because our stops are in smaller, less congested airports.

So call your Travel Agent. Or call us direct. And find out why we're called "The Up-And-Coming Airline."

The Houston Hop That Skips The Stop.

On most other airlines, you're going to have to go through Atlanta to get to Houston from Charlotte and Norfolk and back. But now Piedmont gives you non-stop service between Houston and Charlotte, direct service between Norfolk and Houston.

So why go through the Atlanta hassle. Call your travel agent. Or call us direct. And take the hop that skips the stop in Atlanta.
