**THIS SEAT...
WAS NEEDED
BY SOMEONE**

BUT A "NO-SHOW" KEPT IT EMPTY—

"No Shows" are travelers who make airline reservations . . . then change their plans, fail to show up at flight time, and don't bother to cancel their reservations.

Result: empty seats . . . and other travelers who wanted the space are forced to change their plans, too.

"No Shows" have become a real problem. They lack consideration for their fellow air-travelers. They cause last-minute congestion at departure time.

Please don't be a ...

"NO SHOW"

Here are four easy-to-follow rules that will cure the "No Show" problem once and for all . . . and will help assure **you** space when you want it:

1. Make your reservations well in advance.
2. Pick up your tickets early—at city ticket offices when possible.
3. Confirm reservations on all return trips.
4. And please cancel your reservations early if you're not going.

THANK YOU FOR YOUR COOPERATION
