GENERAL INFORMATION

EQUIPMENT: All flights are operated with famous Douglas DC-3,
24 or 26 passenger aircraft, over authorized airways, under cer-
tificates issued by the Civil Aeronautics Board.

STEWARDESS SERVICE: Southern provides attractive, courteous
stewardesses on all flights—specially trained to make your trip
always comfortable and pleasant.

RESERVATIONS: Reservations for any Southern flight may be
confirmed immediately; reservations beyond the routes of Southern
are confirmed immediately in most instances.

HOTEL and U-DRIVE-IT: Reservations for hotel space and/or
a U-Drive-It automobile may be made through any Southern office

at the same time your flight space is reserved. Your Southern
Agent will be happy to assist you.

SHORT GROUND TIMES: Through the use of "Step Doors" and
other modern improvements, ground times at most intermediate
stations have been reduced to two minutes. This means no long
waiting at local stops on Southern. You're in and out before you
know it for a speedy journey.

STOP-OVER PRIVILEGES: Southern allows you to stop-over at
any number of points intermediate to your origin and destination
at no increase in fare. Just buy one ticket and make your reser-
vations accordingly before you start. That's all there is to it.

CHARGE ACCOUNTS: Universal Air Travel Plan Cards, issued by
any airline will be honored at any Southern office. In addition,
Southern has its Local Air Travel Plan which requires no deposit.
Your Southern Agent will be happy to furnish details.

CHECK-IN TIME: Our passengers have learned to expect "On-
Time" performance. To help us maintain our enviable on-time
record, and to insure scheduled departure of your flight, we re-
quest that you check in at least 20 minutes before departure time
if you have your ticket, or 30 minutes before if you are to pur-
chase a ticket. This gives ample time for checking baggage and
tickets and other necessary formalities. Reservations not claimed
at least 10 minutes before flight time are subject to cancellation.
