GENERAL INFORMATION

EQUIPMENT: All flights are operated with famous Douglas DC-3, 26 passenger aircraft, over authorized airways, under certificates issued by the Civil Aeronautics Board.

STEWARDESS SERVICE: Southern provides attractive, courteous stewardesses on all flights—specially trained to make your trip always comfortable and pleasant.

RESERVATIONS: Reservations for any Southern flight may be confirmed immediately; reservations beyond the routes of Southern are confirmed immediately in most instances.

HOTEL and U-DRIVE-IT: Reservations for hotel space and/or a U-Drive-It automobile may be made through any Southern office at the same time your flight space is reserved. Your Southern Agent will be happy to assist you.

SHORT GROUND TIMES: Through the use of "Step Doors" and other modern improvements, ground times at intermediate stations have been reduced to a minimum. This means no long waiting at local stops on Southern. You're in and out before you know it for a speedy journey.

STOP-OVER PRIVILEGES: Southern allows you to stop-over at any number of points intermediate to your origin and destination at no increase in fare. Just buy one ticket and make your reservations accordingly before you start. That's all there is to it.

CHARGE ACCOUNTS: Universal Air Travel Plan Cards, issued by any airline will be honored at any Southern office. In addition, Southern has its Local Air Travel Plan which requires no deposit. Your Southern Agent will be happy to furnish details.

CHECK-IN TIME: Our passengers have learned to expect "On-Time" performance. To help us maintain our enviable on-time record, and to insure scheduled departure of your flight, we request that you check in at least 20 minutes before departure time if you have your ticket, or 30 minutes before if you are to purchase a ticket. This gives ample time for checking baggage and tickets and other necessary formalities. Reservations not claimed at least 10 minutes before flight time are subject to cancellation.
