NEW GATE TIMETABLE

Here is TRANS-TEXAS Complete System Timetable in new "Quick Reference" form. TTA's simplified timetable makes it easier than ever for you to use TRANS-TEXAS AIRWAYS.

FROM WHAT CITY ARE YOU DEPARTING?

1. Departure cities are in alphabetical order, or you may check the city index on page 23 for service out of your departure city.
2. Under your departure city you will find an alphabetical listing of destinations. The service shown under your destination city includes all flights from your point of departure to your destination.

CONNECTING TIMES . . .

Normally 30 minutes is required in most cities for connections from one flight to another. However, only 15 minutes is required when you are connecting to another TTA flight, therefore: the actual time of a connection may vary depending upon the city where the connection is made and the flight from which you are connecting.

BAGGAGE LIABILITY/LIMITATIONS

Any liability for loss of, or damage to, or delay in delivery of any personal property, including baggage, whether or not delivered into the custody of the Company, is limited to actual value, not to exceed \$100 for each ticket, unless higher value is declared and additional charges (10¢ for each \$100 or fraction thereof) are paid at time of presenting such property for transportation, when checking in for flight, or when checking such property for temporary storage.

CHECK-IN TIME

Ticketed Passengers are requested to be at airport ticket counter **AT LEAST 20 MINUTES** before gate time. Reservations may be cancelled and re-sold if passenger has not presented himself for check-in at least 10 minutes before gate time.

RECONFIRM YOUR RESERVATIONS

"Reconfirmation" is necessary when you travel to another city and remain overnight or longer. To reconfirm, contact the airline on which you will leave from the stop-over point and advise them of your firm intention to use the seat reserved for your continuing or return trip. Unless reservations are reconfirmed, they will be cancelled at 6 hours before gate time. Reconfirmation is not required for stop-overs of less than 12 hours.
