NEW GATE TIMETABLE

Here is TRANS-TEXAS' Complete System Timetable in new "Quick Reference" form. TTA's simplified timetable makes it easier than ever for you to use TRANS-TEXAS AIRWAYS.

FROM WHAT CITY ARE YOU DEPARTING?

1. Departure cities are in alphabetical order. On-line Connections are easily read by following the arrow via the transfer point.
2. Under your departure city you will find an alphabetical listing of destinations. The service shown under your destination city includes all flights from your point of departure to your destination.

CONNECTING TIMES . . .

Normally 30 minutes is required in most cities for connections from one flight to another. However, only 5 minutes is required when you are connecting to another TTA flight, therefore: the actual time of a connection may vary depending upon the city where the connection is made and the flight from which you are connecting.

BAGGAGE LIABILITY/LIMITATIONS

Any liability for loss of, or damage to, or delay in delivery of any personal property, including baggage, whether or not delivered into the custody of the Company, is limited to actual value, not to exceed \$100 for each ticket, unless higher value is declared and additional charges (10¢ for each \$100 or fraction thereof) are paid at time of presenting such property for transportation, when checking in for flight, or when checking such property for temporary storage.

CHECK-IN TIME

Ticketed Passengers are requested to be at the airport ticket counter AT LEAST 20 MINUTES before gate time. Reservations may be cancelled and re-sold if the passenger has not presented himself for check-in at least 10 minutes before gate time.

RECONFIRM YOUR RESERVATIONS

"Reconfirmation" is necessary when you travel to another city and remain overnight or longer. To reconfirm, contact the airline on which you will leave from the stop-over point and advise them of your firm intention to use the seat reserved for your continuing or return trip. Unless reservations are reconfirmed, they will be cancelled at 6 hours before gate time. Reconfirmation is not required for stop-overs of less than 12 hours.

TTA has plans for you... **MONEY-SAVING PLANS!**

FAMILY PLAN Flying for business or pleasure, take the family along. The husband pays regular first class fare but only ½ fare for his wife and all children under 22 years of age. Or their mother can take the children, paying regular fare for herself, ½ fare for them.

MILITARY PLAN TTA's salute to Armed Services personnel in uniform: ½ first class fare. All you do is show your pass or leave papers and you can fly throughout the Southwest for ½ price. You just buy your ticket, stand by at the TTA gate, board your plane at departure time.

FREE STOP-OVERS A boon to traveling men! Now you can stop over and make business calls in as many cities as you like en route to your final destination . . . free of charge. No limit to the time spent at each point, either, as long as your ticket's used within a year.
