EFFECTIVE AUGUST AND SEPTEMBER, 1968

"We'll rent you a set of wheels all week for $65."

"We'll rent you a set of wheels all week for $65."

It's cheaper than renting a car.

For one thing there's no mileage charge. Just a flat $65.* Monday through Friday you have our whole fleet of jet-powered planes at your disposal.

We call it the "Consecutive Executive."

You can commute all week long to any city we fly to in the U.S. And you can fly back home again every night. And it won't cost you a penny more. In fact you save money.

(If you don't have to stay overnight you don't have to pay motel bills.)

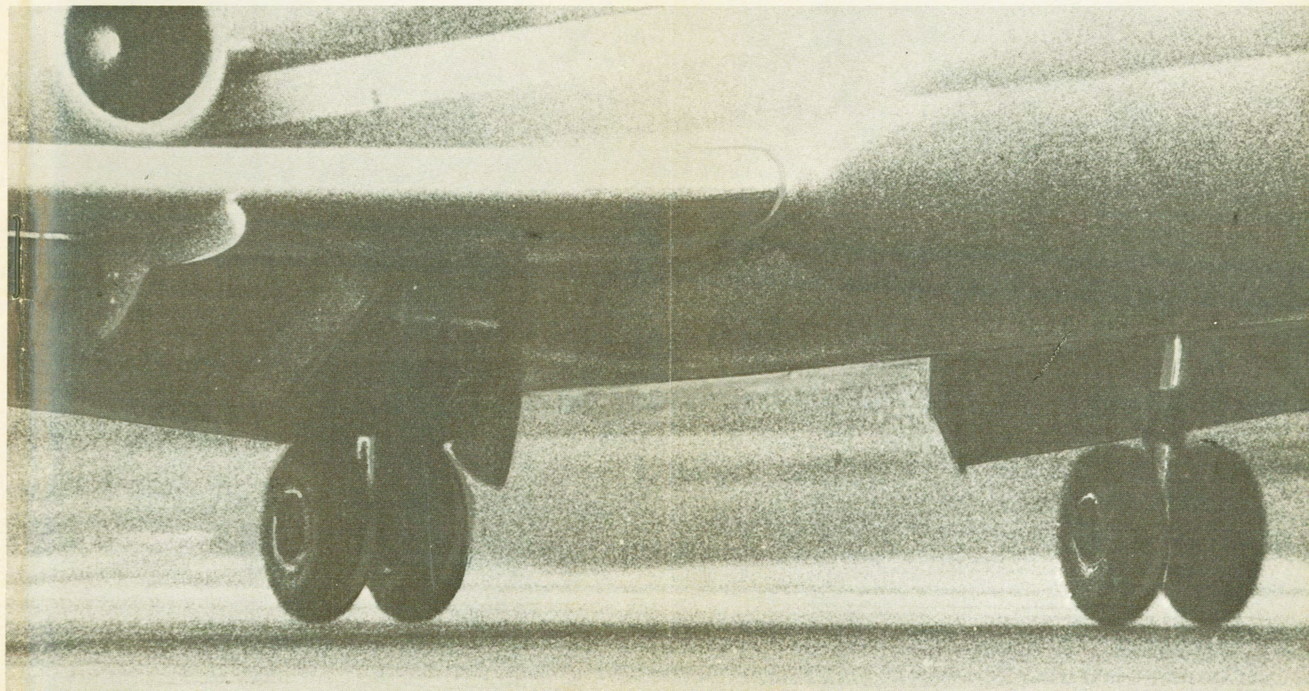

Or. You can fly to one city. Then on to another. And on to another. Do it all week long.

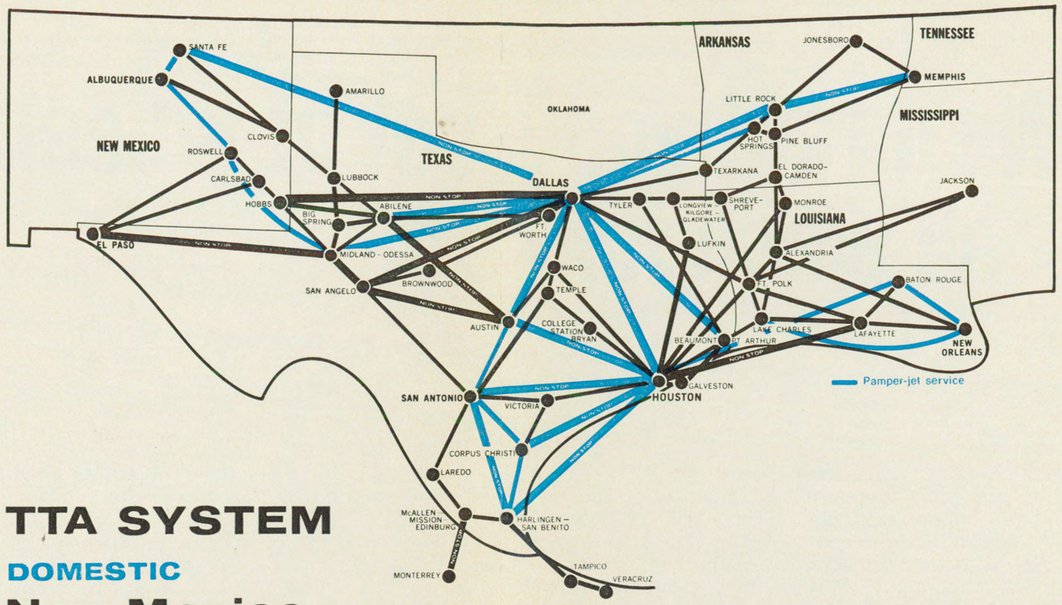

(Remember, we fly to 62 cities in six states in the Southwest. So you can really cover a lot of ground.)

All we ask is you make reservations. A call to your Travel Agent will take care of it. Or call us direct.

And let us chauffeur you around for a week.

*Fare is good on TTA only and the ticket is non-transferable. Not good outside the U.S.A. or on Saturday and Sunday. Subject to official tariff revisions and restrictions. All fares plus tax. Subject to C.A.B. approval.

TTA TRAVELING TIPS

CONNECTIONS—Normally, you need 30 minutes at major TTA Terminals to make flight connections. Connections to another TTA plane take less time. Your TTA Reservationist will advise you the connecting time and where to change planes.

BAGGAGE LIABILITY/LIMITATIONS—TTA takes pride in the careful handling of your personal property and baggage while it is in our custody. In the event of loss or damage, the liability is limited to the amount equal to the value of such property, not to exceed $500.00 per passenger. If you wish to declare a higher value, an extra premium of $0.10 per $100.00 of declared valuation is required. The TTA agent will be happy to assist you with this detail at the time you check in for your TTA flight.

CHECK-IN TIME—Ticketed passengers should be at the TTA airport ticket counter AT LEAST 20 MINUTES BEFORE GATE TIME. Reservations may be cancelled if the passenger has not checked in 10 minutes before gate time.

RECONFIRM YOUR RESERVATION—Reconfirmation may be necessary when you travel to another city and remain overnight or longer. In order to reconfirm your reservation, contact the airline at least 6 hours before flight departure time, advising the reservationist that you intend to use your continuing space. Please help us make your trip more enjoyable and trouble-free by reconfirming your reservation. Thank you.
