# WE TAKE OFF TO PLACES WHERE A WORKAHOLIC CAN KICK THE HABIT.

**Three years ago, we discovered you can do everything and nothing in the colorful Yucatan.**

If you've been spending more hours at work than you care to think about, Texas International has some spots that were made for you.

From Dallas/Ft. Worth, we'll fly you non-stop to Cancun and Cozumel, or direct to Merida for our Peanuts Fares of 50% off regular coach fare. Remember, we can't offer every seat at these prices. We also have convenient connections to the Mexican Caribbean from dozens of other cities.

All packages are based on double occupancy per person. Packages include hotel accommodations, round trip transfers between airport and hotel, Mexican hotel tax and Action Tours representative. Cancun/Cozumel packages are based on a Thursday or Friday departure. All others are based on Sunday departures. All prices are subject to change without notice. Effective June 1, 1981.

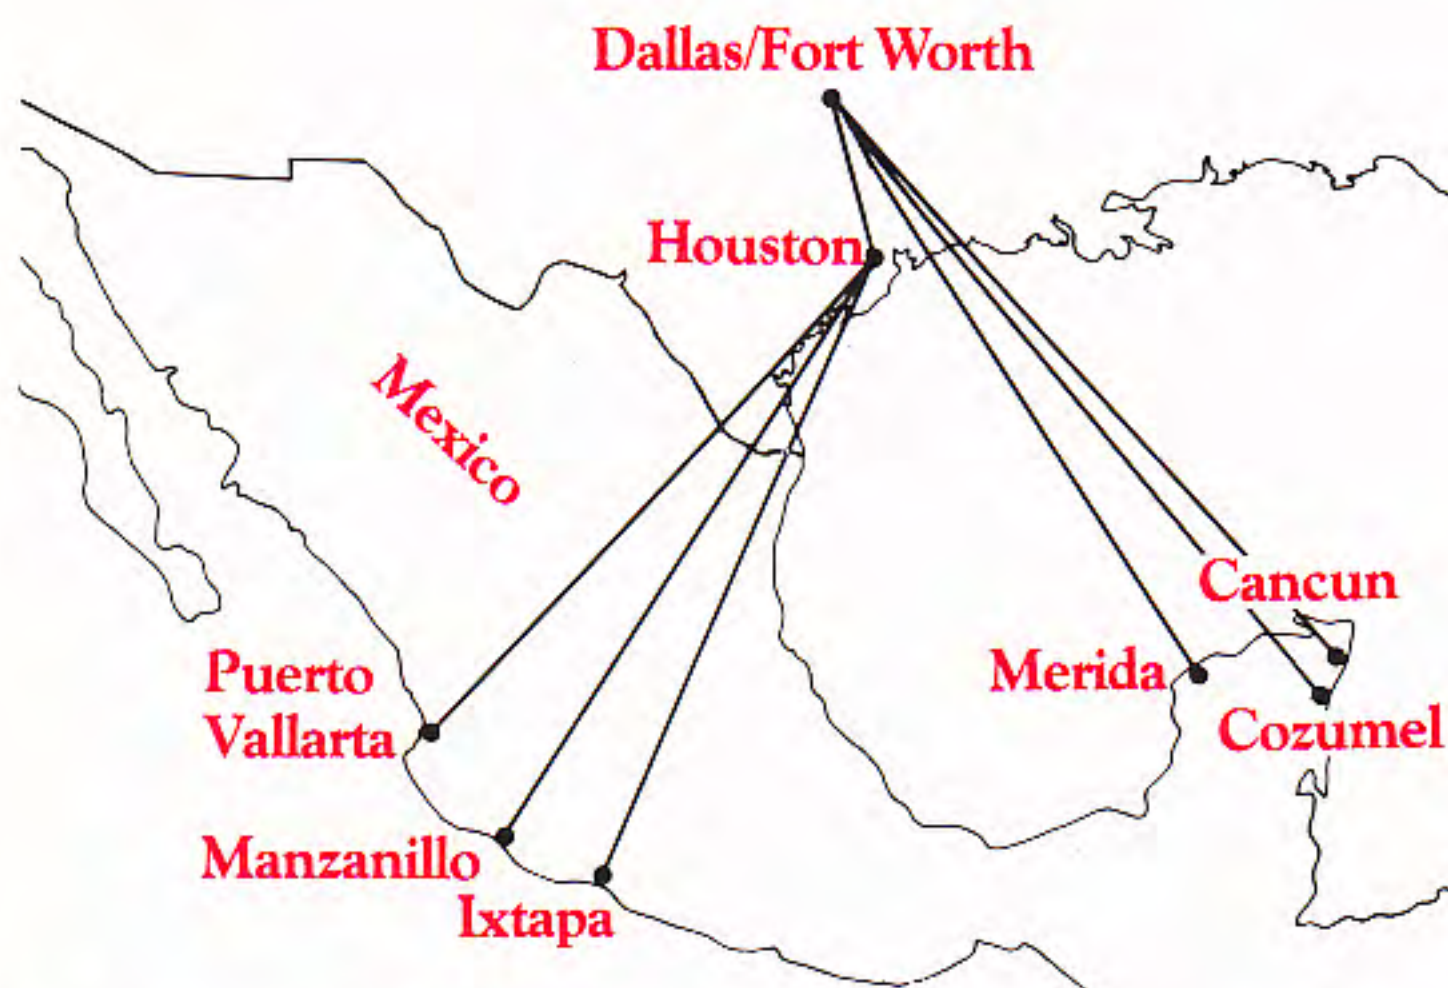

**This year, we've discovered that you can do the same on the beautiful Pacific Coast of Mexico, too.**

You can take in the sizzling night spots, explore the exotic marketplaces, go deep-sea fishing, snorkeling, or swimming. And when you need a rest, tan on an endless stretch of beach or in a quiet little cove.

We have non-stop flights from Houston to Puerto Vallarta and Ixtapa, and direct service to Manzanillo. Plus convenient connections to the Pacific Coast from plenty of other cities.

Peanuts Fares savings are available on all flights. But hurry, because we can't offer every seat at these prices. And for extra savings, ask your professional travel agent about our low cost package tours. For reservations, call your professional travel agent.

We serve more cities in Mexico than any other U.S. airline.

## TEXAS INTERNATIONAL TRAVEL TIPS

**SCHEDULES AND FARES:** All schedules and fares shown are for information purposes only, and are subject to change without notice. Certain flights and fares may not be available during holiday periods, so please confirm actual departure times and fares when making reservations.

**Schedules** are based on normal flying times. Because weather and other factors sometimes affect operating conditions, no airline can guarantee or accept liability for delays in flight arrivals or departures, or for missed connections. In the event of delays, we will work to minimize any inconvenience to you.

**Fares** are based on Texas International tariffs on file with the Civil Aeronautics Board and other applicable government authorities. All transportation is sold subject to these tariffs. The fares shown in this timetable are available to passengers traveling only between the origin and destination cities shown and may not, under certain circumstances, be available to passengers continuing their journey beyond those points. Certain reduced fares may be available only for a limited number of seats on a particular flight. In addition, certain fares restrict the validity of tickets and also the dates on which return journeys may be made. For further details about Texas International's regular and special fares, contact Texas International Reservations or your travel agent.

**Advance Reservations** are recommended, and may be obtained by contacting Texas International Reservations or your travel agent.

**Check-in Time, Domestic:** Passengers purchasing tickets for domestic travel must do so at least 30 minutes prior to departure time. All ticketed passengers should be at the boarding point at least 20 minutes before departure. Reservations may be cancelled if a passenger has not checked in or is not present at the boarding point at least 10 minutes prior to scheduled departure.

**Check-in Time, International:** Passengers purchasing tickets for international travel must do so at least 60 minutes before departure time. All ticketed passengers must be at the check in point 30 minutes prior to departure. This is to allow for completion of government required paperwork and procedures. Reservations may be cancelled if a passenger is not present at the boarding point at least 15 minutes prior to scheduled departure.

**Connections** — At least 30 minutes are usually required to make flight connections to other carriers at major airports. Connections from one Texas International flight to another may require less time. For information and reservations on flights of other airlines connecting to and from Texas International's services, our Reservations Office maintains schedules of other airlines and will assist you in planning your flights.

**Beverage and Meal Service** will be served when appropriate.

**Baggage Liability Limitations** — Texas International takes pride in the careful handling of your baggage. In the event of loss or damage, carrier liability is limited to an amount equal to the value of the lost or damaged property. For domestic travel, carrier liability will not exceed \$750.00 per fare-paying passenger. For International travel, liability will not exceed \$9.07 per pound for checked baggage and \$400.00 for unchecked baggage per fare-paying passenger. A higher valuation may be declared and additional charges paid in advance. Certain fragile or perishable items are carried at the passenger's risk. Your Texas International Representative will be happy to assist you with details at the time you check in for your flight.

Listed below are some tips on luggage to follow when preparing for your trip:

- \*Use a good quality bag
- \*Always lock your bag
- \*Avoid overpacking your bags
- \*Keep your valuables with you

**Restricted Articles.** Articles such as flammable liquids, corrosives, compressed gasses, or matches should not be placed in baggage.

Federal Aviation Regulations limit the carriage of compressed gasses in aerosol cans, such as hairsprays, shaving cream, and deodorants to 32 ounces per passenger with a maximum of 16 ounces per container.

Certain Flights And Fares May Not Be Available During Holiday Periods.
