GENERAL PASSENGER INFORMATION

SCHEDULES—TWA reserves the right to cancel or change schedules without notice. Safety is our primary consideration. Schedules shown are based on expected flying times. Because weather and other factors may affect operating conditions, departures and arrivals cannot be guaranteed.

RESERVATIONS—When a reservation for space is confirmed by an agent of the company, it is subject to the purchase of a ticket by the time limit agreed upon by the passenger and TWA, or if there is no agreement, at the minimum time before flight departure listed in TWA's tariff rules.

SEAT ASSIGNMENT—TWA offers advance seat selection on all flights up to 11 months prior to departure, and advance check-in Airport Express boarding passes, upon request, within one month of your departure date. Airport Express is available in the USA and at certain international cities. Advance selection seats are subject to cancellation if not claimed at least 30 minutes prior to scheduled departure time.

CHECK-IN TIME—For the convenience of all passengers and to ensure that sufficient time is available to complete check-in activities, comply with security controls, and any government formalities, please arrive at the airport at least 45 minutes (60 minutes for international flights) prior to scheduled departure time. After having checked-in for the flight, passengers must present themselves at the aircraft loading gate for boarding at least 10 minutes (20 minutes for international flights) before scheduled departure time or your reservation and seat assignment will be subject to cancellation.

FARES

Discount Fares—TWA offers many promotional fares throughout its system with discounts ranging up to 70%. These fares generally have conditions associated with them requiring advance reservation/ticketing and minimum/maximum stay limitations. Seats at these fares are limited, and it is always best to make your reservations and purchase your tickets as early as possible. This will ensure that you have widest availability of departure times and dates.

Guaranteed Airfare—Once your reservations have been confirmed and you have purchased your TWA ticket, in the U.S.A., the United Kingdom, Egypt, Kuwait or the Netherlands for transatlantic travel from the U.S.A./United Kingdom/Egypt/Kuwait/Netherlands, and for travel within the U.S.A., TWA guarantees that if fares increase you will not be assessed additional charges, provided you do not voluntarily change the dates or the flights on your itinerary. Should there be a decrease in fares after ticket purchase, but prior to the start of your trip, you will be eligible to receive a refund. Contact TWA for additional information.

CREDIT CARDS—The TWA Getaway Card is one of the most convenient items to own when you plan a vacation. It lets you establish a separate line of credit for travel and keeps your other charge card credit limits free for other day-to-day purchases. The Getaway Card is free—no membership fee or annual dues is required. TWA also honors most other major credit cards.

IN FLIGHT SERVICE—Liquor is available for purchase by Coach/Economy passengers and complimentary to First Class/Ambassador Class. Soft drinks are available free of charge to all passengers. Music and first run motion pictures are yours to enjoy on selected TWA flights. There is a \$3.50 charge for entertainment fee on coast to coast and transatlantic movie flights for Coach/Economy passengers. Short subject video entertainment will be available on selected medium and short haul flights at no charge. No smoking zones are provided on every aircraft. Passengers seated in this area must adhere to the regulation against smoking.

INTERNATIONAL TRAVEL—An international trip may require the need for valid travel documents such as a passport, visa, reentry permit, health certificate, inoculation record or a ticket for the return journey or the continuance of your trip. The ultimate responsibility for the proper documentation rests with the individual passenger. Any doubts about the required travel documents may be resolved by contacting the appropriate consulate or embassy.

BAGGAGE—All luggage or packages carried in the cabin or checked in the cargo space of aircraft are considered baggage. A coat, umbrella, pocketbook, small camera or binoculars, infant food, and reading material for the flight are not included as baggage.

Carry On Baggage—Baggage carried on board must not exceed 8 x 16 x 21 inches (20x40x53cm) and must be placed under seat. Carry-on rack compartments on aircraft so equipped are available for use. Articles secured in these compartments are counted in the passenger's allowance and are not accessible during the flight.

Free Allowances—International—First/Ambassador/Coach/Economy Class—Two bags, not exceeding the dimensions of 62 inches (157 cm) each or the weight of 62 pounds (28 kgs) each.

Free Allowances—USA—First/Ambassador/Coach/Economy Class—Two bags, not exceeding the dimensions of 62 inches (157 cm) each or the weight of 70 pounds (32 kgs) each. Two bags, not exceeding the dimensions of 45 inches (114 cms) or the weight of 70 pounds (32 kgs), one of which must be carried in the cabin.

NOTE—“Weight System” allowances may apply to international travel originating/terminating in the United States after stopover, change of airport or in some cases change of carrier. Additionally, weight allowances may apply to/from the U.S.A. and within or between certain foreign countries who do not participate in the piece concept agreement.

Excess Baggage—USA—Baggage in excess of the above allowances up to the dimensions of 62 inches or a weight of 70 pounds (for the first two pieces) and 45 inches and 70 pounds (for the third and fourth piece) shall be charged as follows: In the U.S.A. \$20.00 per piece for the first three pieces of baggage in excess of the free allowance, \$55.00 for the next 10 pieces in excess of the free allowance and \$75.00 for all subsequent excess pieces regardless of the fare paid.

Excess Baggage—International—Baggage in excess of the above allowances shall be charged an excess baggage rate per piece, depending upon the passenger's origin/destination.

Contact TWA for excess baggage rates.

Oversize—Baggage exceeding the dimensions of 62 inches (157 cm) and up to 100 inches (250 cm) and/or baggage exceeding the weight of 70 pounds (32 kgs) and up to 100 pounds (45 kgs) shall be charged as follows: In the U.S.A. \$30.00 per piece regardless of the fare paid. And on international flights, double the single excess baggage will apply for each oversized or overweight article. Baggage exceeding 100 inches or weighing more than 100 pounds per piece must be shipped by air freight or other means. Bicycles are acceptable as checked baggage if the handlebars, pedals, baskets, baby seats etc., are removed or rotated to a position that prevents damage.

Baggage Identification—All checked baggage must bear a name identification on the exterior of the bag or package. Identification tags are provided free by TWA.

Excess Value—Liability for loss, delay, or damage to baggage is limited as follows unless a higher value is declared and an extra charge is paid: (1) for most international travel (including Domestic portion of international journeys) to approximately \$9.07 per pound (\$20.00 per kilogram) for checked baggage and \$400 per passenger for unchecked baggage; (2) for travel only between U.S. points, \$1250 per passenger on most carriers. Extra valuation may be obtained at \$0.50 for each \$100.00, or fraction thereof, claimed up to a maximum declared value of \$25,000, for both domestic and international travel. TWA IS NOT RESPONSIBLE FOR MEDICINES, ORTHOTICS (SURGICAL SUPPORTS), JEWELRY, CASH, CAMERA EQUIPMENT, OR OTHER SIMILAR VALUABLE ITEMS CONTAINED IN CHECKED OR UNCHECKED BAGGAGE. THESE ITEMS SHOULD BE CARRIED PERSONALLY BY THE PASSENGER.

Hazardous Material Restrictions—Federal law prohibits the carriage of hazardous materials aboard aircraft in your luggage or on your person. A violation can result in penalties of up to \$25,000 and five years imprisonment. Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives, loaded firearms, and radioactive materials. Examples are: paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radio-pharmaceuticals. There are special exceptions for small quantities (up to 75 ounces total) of medicinal and toilet articles carried in your luggage and certain smoking material carried on your person. For further information contact a TWA representative.
