General Passenger Information

Agriculture Inspection, Hawaii-Mainland — Admissibility of plant products to the Mainland from Hawaii should be determined prior to check-in. Such products and baggage are subject to pre-departure agriculture inspection at the Honolulu and Hilo Airports. Please have baggage ready for examination as requested. For detailed information phone: Plant Protection and Quarantine, APHIS, USDA, Honolulu 841-3661 or 841-4342; Hilo 935-1049.

Alcoholic Beverages — Federal Aviation Agency regulations provide that no person may drink alcoholic beverages aboard an aircraft unless they have been served by the airline and no airline may serve such beverages to any person who appears to be intoxicated.

Baggage Allowance — (Per passenger) 1 piece of baggage with linear dimensions (length + height + width) not exceeding 62 inches, plus 1 piece of baggage with linear dimensions not exceeding 55 inches, and 1 piece of baggage with linear dimensions not exceeding 45 inches. The third piece may be carried on board provided it fits beneath the seat. Approximate dimensions not to exceed 9 x 13 x 23. In addition to size, each piece must not exceed 70 pounds.

66 pounds at First Class fare and 44 pounds at Coach fare for trips between the Continental U. S. and Alaska or foreign points other than Canada.

A nominal fee will be charged for baggage not meeting the above requirements.

Baggage Liability — Baggage should be clearly tagged with your name and address. Liability for baggage for trips between points in the U.S. will not exceed \$500.00 per ticket unless you declare a higher valuation and pay a slight extra charge. Excess valuation cannot be declared for certain checked valuable items such as jewelry, negotiable instruments, currency and antiques. For international trips, United's liability will not exceed \$8.16 per pound for checked baggage and \$360 per passenger for unchecked baggage unless you declare a higher value and pay an extra charge.

Checked Baggage — Car keys, pills, critical medicine or other items necessary for your health or well-being should remain in carry-on luggage whenever possible, as baggage, checked prior to departure, is generally unavailable again until claimed at your destination.

Class of Service — Most United flights offer a combination of First Class, Coach and/or Economy classes of service.

First Class service provides the ultimate in roomy, luxurious air travel with all of the extras, time permitting, that you've come to expect. Coach service is slightly less elaborate than First Class but also offers a full range of in-flight amenities either free of charge or at a nominal fee. Economy coach provides the least expensive, most rapid "no frills" service available. Meal service is not offered in economy class.

Credit Cards — You can easily arrange credit with our Personal Credit Card Plan. United also accepts American Express, BankAmericard, Carte Blanche, Diners Club, Empire, Interbank, Mastercharge, Walker Bankard and Universal Air Travel cards. Consult United or your travel agent for details.

Denied Boarding Compensation Plan — Compensation will be paid if the flight for which you have a confirmed reservation is unable to accommodate you and departs without you. Subject to the exceptions prescribed in the tariff on file, compensation will be in amounts from \$25.00 to \$200.00 depending upon the ticket value.

Electronic Devices — Federal Aviation regulations prohibit in flight operation of electronic devices other than portable voice recorders or electronic calculators, electric watches, hearing aids, heart pacemakers and electric shavers. Other electronic devices (including AM and FM broadcast receivers) may interfere with the navigation or communications systems of the aircraft.

Responsibility for Departures, Arrivals, Connections — United Airlines will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with planes of other lines or of this Company. Schedules subject to change without notice. Safety is our primary consideration. Schedule times published include allowances for variations in wind direction and velocity, planned ground movement of the aircraft between runway and gates and similar factors to assure gate arrivals within 15 minutes of published schedule more than 75% on the time. Schedules do not allow for abnormal air traffic and ground delays which cannot be forecast in advance.

Restricted Articles — Acid, matches, lighter fluid and hazardous articles **MUST NOT BE PACKED IN BAGGAGE.**
