"APOLLO ONE CALL" SERVICE – IMPORTANT NEW TRAVEL FEATURE

United's "Apollo One Call" service now offers our customers instant confirmation of hotel accommodations at the same time they make flight reservations.

This service extends to 2,675 hotels with a total of 460,000 rooms and includes these participating hotel companies — Holiday Inns, Howard Johnson's, Hyatt, Ramada Inns, Sheraton, and Western International.

These added services for travelers are based on expanded capabilities of United's Apollo Reservations and Information System. In addition to passengers, travel agents and corporate travel planners can now take care of all arrangements for a trip (air, hotel and car) with one phone call to the nearest United reservations office.

For some time United has had Apollo auto reservations agreements with Avis, Budget, Dollar and Hertz car rental companies. "Apollo One Call" is used by more than 8,000 United reservations and ticketing personnel in actively selling accommodations at hotels. The hotel reservations service is available at 113 cities where United boards an average of 85,000 passengers daily, and also at United's 12 reservations centers which receive an average of 142,000 calls daily.

Here's how the Apollo Hotel System works. . . .

Each time an airline seat is sold to a city where a subscribing hotel is located, the computer automatically responds with "OFFER HOTEL/CAR," a constant reminder to offer the traveler hotel accommodations.

The computer will answer questions about a specific hotel — types of transportation from the airport, charges for an extra bed or crib, types of credit cards accepted, room rates, taxes and other basic information.

The computer stores availability for 331 days. Status messages are sent regularly by subscribing hotels directly to Apollo for continuous updating of room availability.

Once a hotel room is sold from the Apollo Hotel System, a message including the passenger's name, arrival and flight times, hotel confirmed and number of nights, rates and other specified information is sent to the hotel. Changes and cancellations also cause an appropriate message to be generated.

The Apollo Hotel System is stored in United's exclusive Reservations and Information System, "Apollo." It aids in itinerary planning, schedules air travel and arranges car rentals.

Travel agents and corporate travel arrangers responsible for multiple travel arrangements will appreciate the speed, accuracy, reliability and up-to-the-minute programming of "Apollo One Call."

General Passenger Information

Agriculture Inspection, Hawaii-Mainland — Admissibility of plant products to the Mainland from Hawaii should be determined prior to check-in. Such products and baggage are subject to pre-departure agriculture inspection at the Honolulu and Hilo Airports. Please have baggage ready for examination as requested. For detailed information phone: Plant Protection and Quarantine, APHIS, USDA, Honolulu 841-3661 or 841-4342; Hilo 935-1049.

Alcoholic Beverages — Federal Aviation Agency regulations provide that no person may drink alcoholic beverages aboard an aircraft unless they have been served by the airline and no airline may serve such beverages to any person who appears to be intoxicated.

One or more additional pieces, totaling no more than 45 inches may be carried on board provided it fits beneath the seat or in an approved carry-on compartment. Approximate dimensions not to exceed 9 x 13 x 23. In addition to size, each piece must not exceed 70 pounds.

66 pounds at First Class fare and 44 pounds at Coach fare for trips between the Continental U. S. and Alaska or foreign points other than Canada.

A standard fee of \$5.00 for each excess or oversize piece of baggage will be charged, except for the special items listed below. These special items will always be subject to the charges listed regardless of the total baggage carried.

Bicycles—\$10.00	Surfboards—\$10.00
Scuba gear—\$5.00 per set	Household pets—\$15.00 per container

Baggage Liability — Baggage should be clearly tagged with your name and address. Liability for baggage for trips between points in the U.S. will not exceed \$500.00 per ticket unless you declare a higher valuation and pay a slight extra charge. Excess valuation cannot be declared for certain checked valuable items such as jewelry, negotiable instruments, currency and antiques. For international trips, United's liability will not exceed \$9.07 per pound for checked baggage and \$400 per passenger for unchecked baggage unless you declare a higher value and pay an extra charge.

Checked Baggage — Car keys, pills, critical medicine or other items necessary for your health or well-being should remain in carry-on luggage whenever possible, as baggage, checked prior to departure, is generally unavailable again until claimed at your destination.

Class of Service — On United, you can fly First Class, Coach, or — on certain routes — Economy. First Class gives you spacious seating comfort and — time permitting — our most luxurious personalized service: complimentary cocktails, gourmet dining, and a variety of other amenities. Coach seating is comfortable but more compact and meals are hot, delicious, satisfying. Economy offers the same comfortable seating as Coach, without meals and including coffee, tea and soft drinks. Liquors, wines, etc. are available at a nominal charge in both Coach and Economy. All these services include the friendly hospitality of United's dedicated employees.

Credit Cards — You can easily arrange credit with our Personal Credit Card Plan. United also accepts American Express, BankAmericard, Carte Blanche, Diners Club, Empire, Interbank, Mastercharge, Walker Bankard and Universal Air Travel cards. Consult United or your travel agent for details.

Denied Boarding Compensation Plan — Compensation will be paid if the flight for which you have a confirmed reservation is unable to accommodate you and departs without you. Subject to the exceptions prescribed in the tariff on file, compensation will be in amounts from \$25.00 to \$200.00 depending upon the ticket value.

Electronic Devices — Federal Aviation regulations prohibit in flight operation of electronic devices other than portable voice recorders or electronic calculators, electric watches, hearing aids, heart pacemakers and electric shavers. Other electronic devices (including AM and FM broadcast receivers) may interfere with the navigation or communications systems of the aircraft.

Responsibility for Departures, Arrivals, Connections — United Airlines will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with planes of other lines or of this Company. Schedules subject to change without notice. Safety is our primary consideration. Schedule times published include allowances for variations in wind direction and velocity, planned ground movement of the aircraft between runway and gates and similar factors to assure gate arrivals within 15 minutes of published schedule more than 75% on the time. Schedules do not allow for abnormal air traffic and ground delays which cannot be forecast in advance.

Restricted Articles — Acid, matches, lighter fluid and hazardous articles **MUST NOT BE PACKED IN BAGGAGE.**
