United Airlines cargo schedules may not be included in this issue of "Our Friendly Times" as all United aircraft carry some cargo. If you desire specific cargo information, please complete and return this form. A schedule publication devoted entirely to jet cargo liners and cargo-carrying wide body (B-747 or DC-10) aircraft, will be mailed to you regularly, free of charge.

This Air Cargo Timetable contains all direct and connecting cargo liners and wide body schedules in alphabetical, city-pair order and also indicates TRUCK CONNECTIONS to and from jet cargo liners. All United Airlines air freight telephone numbers are listed for handy reference. A cargo liner route map, and a listing of all United foreign offices are also included for your information and use.

Partners in travel with United Airlines

Your freight goes first.

With United Airlines' "First Freight," you get guaranteed priority boarding and reserved space— 113 cities.

PRIORITY BOARDING

"First Freight" is our priority air freight service, and it's always the first freight loaded in our planes. The big "1" on every piece makes sure of that. We're so sure your shipment will go on the flight you specify that we'll refund your premium if it doesn't.

RESERVED SPACE

Just call United at least 6 hours before departure of the flight you need. (United has over 1,500 scheduled flights a day.) We'll reserve space for your freight and, as long as it arrives at our freight terminal 90 minutes before flight time, we'll make sure it's the "First Freight" loaded.

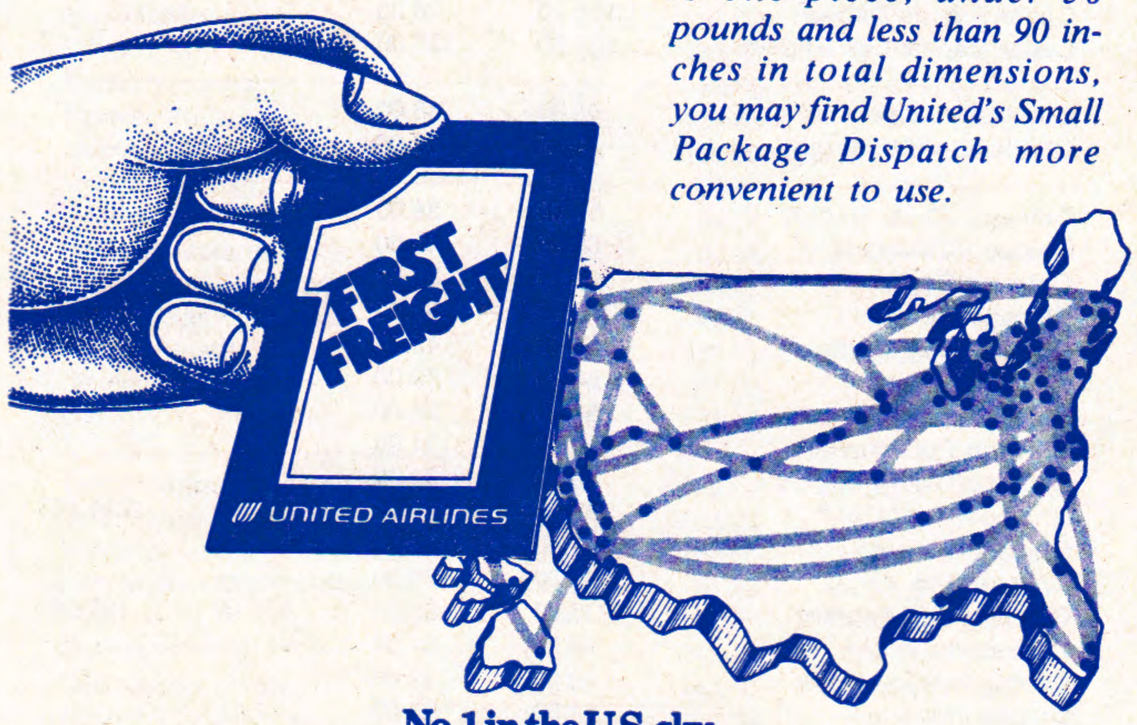

SPECIAL HANDLING

"First Freight" is segregated all the way on United—in our terminals and in the air. And every piece is monitored all the way by our computerized A.F.I.S., the industry's most advanced air freight monitoring system. No restrictions on piece count or weight, either. If our planes will take it, so will we.

JUST SAY, "FIRST FREIGHT"

When that shipment has to be there, call United or your freight forwarder. Yours can be the "First Freight" there—to any of our 113 cities.

If your emergency shipment is one piece, under 50 pounds and less than 90 inches in total dimensions, you may find United's Small Package Dispatch more convenient to use.

No. 1 in the U.S. sky

"APOLLO ONE CALL" SERVICE — IMPORTANT NEW TRAVEL FEATURE

United's "Apollo One Call" service offers our customers instant confirmation of hotel accommodations at the same time they make flight reservations.

This service extends to 2,675 hotels with a total of 460,000 rooms and includes these participating hotel companies — Holiday Inns, Howard Johnson's, Hyatt, Ramada Inns, Sheraton, Western International, and Del Webb.

These added services for travelers are based on expanded capabilities of United's Apollo Reservations and Information System. In addition to passengers, travel agents and corporate travel planners can now take care of all arrangements for a trip (air, hotel and car) with one phone call to the nearest United reservations office.

For some time United has had Apollo auto reservations agreements with Avis, Budget, Dollar and Hertz car rental companies. "Apollo One Call" is used by more than 8,000 United reservations and ticketing personnel in actively selling accommodations at hotels. The hotel reservations service is available at 113 cities where United boards an average of 85,000 passengers daily, and also at United's 11 reservations centers which receive an average of 142,000 calls daily.

Here's how the Apollo Hotel System works. . . .

Each time an airline seat is sold to a city where a subscribing hotel is located, the computer automatically responds with "OFFER HOTEL/CAR," a constant reminder to offer the traveler hotel accommodations.

The computer will answer questions about a specific hotel — types of transportation from the airport, charges for an extra bed or crib, types of credit cards accepted, room rates, taxes and other basic information.

The computer stores availability for 331 days. Status messages are sent regularly by subscribing hotels directly to Apollo for continuous updating of room availability.

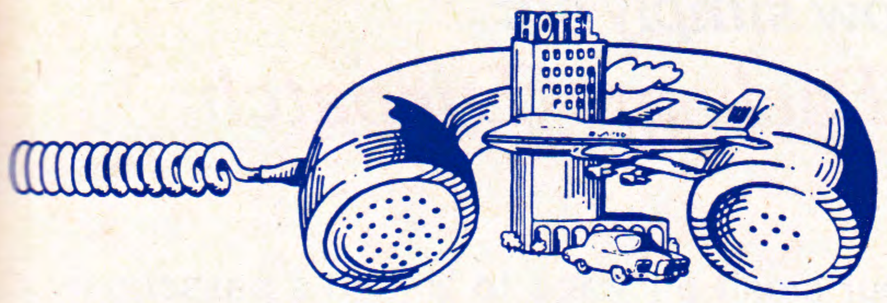

Once a hotel room is sold from the Apollo Hotel System, a message including the passenger's name, arrival and flight times, hotel confirmed and number of nights, rates and other specified information is sent to the hotel. Changes and cancellations also cause an appropriate message to be generated.

The Apollo Hotel System is stored in United's exclusive Reservations and Information System, "Apollo." It aids in itinerary planning, schedules air travel and arranges car rentals.

Travel agents and corporate travel arrangers responsible for multiple travel arrangements will appreciate the speed, accuracy, reliability and up-to-the-minute programming of "Apollo One Call."

The friendly skies of your land.
