Add My Name To The Timetable Mailing List

United Airlines maintains an extensive list of individuals and corporations receiving copies of "Our Friendly Times" (System Passenger Timetable), Individual City Version Passenger Schedule Publication and our Air Cargo Timetable. The Air Cargo Timetable contains all direct and connecting cargo liners and wide body schedules and also indicates TRUCK CONNECTIONS to and from jet cargo liners. If you wish to be included on these mailing lists to receive your own copy or copies, free of charge, each issue, just complete the following:

The friendly skies of your land.

UNITED AIRLINES

That long, cross-country flight didn't slow him down. Because Bob Davis flew United. Our convenient schedules kept pace with his schedule. Once on board, Bob sat back and enjoyed a meal, stereo entertainment, and the service and attention that have made United the front-running airline with business travelers.

Bob Davis flies the friendly skies because he knows that after spending the first 2,321 miles with us, he'll have enough energy left to tackle the last six—all on his own. United is Partners in Travel with Western International Hotels.

"That guy doesn't miss a step."

Fly the friendly skies of United.

General Passenger Information

Agriculture Inspection, Hawaii-Mainland — Admissibility of plant products to the Mainland from Hawaii should be determined prior to check-in. Such products and baggage are subject to pre-departure agriculture inspection at the Honolulu and Hilo Airports. Please have baggage ready for examination as requested. For detailed information phone: Plant Protection and Quarantine, APHIS, USDA, Honolulu 841-3661 or 841-4342; Hilo 935-1049.

Alcoholic Beverages — Federal Aviation Agency regulations provide that no person may drink alcoholic beverages aboard an aircraft unless they have been served by the airline and no airline may serve such beverages to any person who appears to be intoxicated.

BAGGAGE

Baggage Liability — Passenger name identification must be placed on the outside of all checked baggage. Baggage identification labels are available from United at no cost. Liability for baggage between points in the U.S. will not exceed \$750.00 unless you declare a higher valuation and pay a slight extra charge. Excess valuation cannot be declared for certain checked valuable items such as jewelry, negotiable instruments, currency and antiques. For international trips, United's liability will not exceed \$9.07 per pound for checked baggage and \$400 per passenger for unchecked baggage unless you declare a higher value and pay an extra charge.

Excess Baggage — Baggage in excess of the free baggage allowance, up to and including four pieces, will be charged a standard excess fee of \$6.00. Excess baggage exceeding these four pieces will be charged four times the applicable excess baggage rate. Overweight or oversize baggage is subject to special charges as are the following special items listed below. These items are subject to the special charges regardless of the total baggage carried.

Bicycles—\$12.00 Scuba Gear—\$6.00 Surfboards—\$12.00
Household Pets—\$18.00 per container

Free Baggage Allowance — (Per passenger) 1 piece of baggage with linear dimensions (length + height + width) not exceeding 62 inches, plus 1 piece of baggage with linear dimensions not exceeding 55 inches. One or more additional pieces, totaling no more than 45 inches may be carried on board provided it fits beneath the seat or in an approved carry-on compartment. Approximate dimensions not to exceed 9 x 13 x 23. In addition to size, each piece must not exceed 70 pounds. Allowances for international travel vary by country. Check with your travel agent or United Reservations for this information.

Checked Baggage — Car keys, pills, critical medicine or other items necessary for your health or well-being should remain in carry-on luggage whenever possible, as baggage, checked prior to departure, is generally unavailable again until claimed at your destination.

Check-in Time — Reservations are subject to cancellation if you are not available for boarding at least five minutes prior to scheduled departure of your United flight.

Class of Service — On United, you can fly First Class, Coach, or — on certain routes — Economy. First Class gives you spacious seating comfort and — time permitting — our most luxurious personalized service: complimentary cocktails, gourmet dining, and a variety of other amenities. Coach seating is comfortable but more compact and meals are hot, delicious, satisfying. Economy offers the same comfortable seating as Coach, without meals and including coffee, tea and soft drinks. Liquors, wines, etc. are available at a nominal charge in both Coach and Economy. All these services include the friendly hospitality of United's dedicated employees.

Credit Cards — You can easily arrange credit with our Personal Credit Card Plan. United also accepts American Express, Carte Blanche, Diners Club, Empire, Interbank, Mastercharge, Walker Bankard, Universal Air Travel cards and Visa cards. Consult United or your travel agent for details.

Denied Boarding Compensation Plan — Compensation will be paid if the flight for which you have a confirmed reservation is unable to accommodate you and departs without you. Subject to the exceptions prescribed in the tariff on file, compensation will be in amounts from \$37.50 to \$400.00 depending upon conditions of removal and the ticket value.

Electronic Devices — Federal Aviation regulations prohibit in flight operation of electronic devices other than portable voice recorders or electronic calculators, electric watches, hearing aids, heart pacemakers and electric shavers. Other electronic devices (including AM and FM broadcast receivers) may interfere with the navigation or communications systems of the aircraft.

Responsibility for Departures, Arrivals, Connections — United Airlines will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with planes of other lines or of this Company. Schedules subject to change without notice. Safety is our primary consideration. Schedule times published include allowances for variations in wind direction and velocity, planned ground movement of the aircraft between runway and gates and similar factors to assure gate arrivals within 15 minutes of published schedule more than 75% on the time. Schedules do not allow for abnormal air traffic and ground delays which cannot be forecast in advance.

Restricted Articles — Corrosive liquids, flammable substances, such as matches and lighter fluid, compressed gas or any hazardous material **MAY NOT BE CARRIED IN BAGGAGE.**
