PASSENGER INFORMATION

Equipment

All flights are operated with the dependable Douglas DC-3, 24-passenger aircraft, over authorized airways, under certificates issued by the Civil Aeronautics Board.

Reservations

Must be made in advance at any airline ticket office or travel agency. Passengers must present themselves at the airport office of Allegheny Airlines at least 20 minutes prior to the flight departure time. Passengers continuing after a stopover or on the return portion of a round trip must re-confirm their reservations at least 6 hours prior to the flight departure time or their reservation will be cancelled.

Children's Fares

One child under two years and not occupying a seat will be carried free with each accompanying passenger paying the adult fare. Children under two years for whom seats are reserved and children over 2 and under 12 years will be charged one-half of the adult fare. Children under eight must be accompanied by a passenger 12 years or over.

Schedules

Show the time at which planes may be expected to arrive at or depart from stations, but the carrier will not be responsible for consequences arising from delays or cancellations or from errors in the printed schedule. Schedules and fares shown are subject to change without notice.

Baggage

Forty pounds of baggage including brief case and hand luggage will be carried free on any ticket. Charge for excess baggage is 1/2 of 1% of the one way adult fare per pound, subject to a minimum charge of 25c. The liability of the Company for baggage is limited to \$100.00 unless a higher value is declared and additional charges paid therefor in advance.

Ground Transportation

Ground transportation to and from the airports served by Allegheny Airlines is available at reasonable cost.

Short Ground Times

Through the use of "step doors" and other improvements ground times at intermediate stops have been cut to 2 minutes in the majority of instances. No long waiting at intermediate stations. You are on your way again for a speedy journey on Allegheny's flight.
