IMPORTANT

Your Reservation Will Be Cancelled

UNLESS YOU RECONFIRM

YOU MUST RECONFIRM your intention to use your reservation at each city where you hold a reservation on a flight scheduled to leave more than 12 hours after your planned arrival in that city. This applies whether you are arriving by air or other means.

To reconfirm, simply inform Allegheny Airlines at the city where you are boarding your flight of your intention to use your reservation; if possible, give them your telephone number in that city. This should be done as soon as possible after arriving, and **MUST** be done not later than six hours before scheduled flight departure. Reconfirmation helps us to help you.

RECONFIRMING PROTECTS YOUR RESERVATION

PASSENGER INFORMATION

Equipment

All flights are operated with either 40 passenger Martin Executives or Douglas DC-3C aircraft, over authorized airways, under certificates issued by the Civil Aeronautics Board.

Reservations

Your reservation should be made in advance by telephone, at any airline ticket office or travel agency. Passengers continuing after a stopover, or on the return portion of a round trip must re-confirm their reservations at least 6 hours prior to the scheduled flight departure time, or their reservation will be cancelled.

Check-In Time for Flights

Our passengers expect on-time performance. To maintain our enviable on-time record for you, we reserve the right to cancel the reservation of any passenger failing to check in at the airport ticket counter 20 minutes before the flight's departure time. Help us keep your flight on time. Check in early.

Children's Fares

Children between 2 and 12 are carried at half fare, subject to \$3.50 minimum.

One child under two years and not occupying a seat will be carried free with each accompanying passenger paying the adult fare.

Children under eight must be accompanied by a passenger 12 years of age or over.

Schedules

The schedule shows the times at which the flight is expected to arrive at or depart from stations, but the carrier will not be responsible for consequences arising from delays or cancellations or from errors in the printed schedule.

Schedules and fares are subject to change without notice.

Baggage

Forty pounds of baggage including brief case and hand luggage will be carried free on any ticket. Charge for excess baggage is 1/2 of 1% of the one way adult fare per pound, subject to a minimum charge of 25c. The liability of the Company for baggage is limited to \$100.00 unless a higher value is declared and additional charges paid therefor in advance.

Ground Transportation

Ground transportation to and from the airports served by Allegheny Airlines is available at reasonable cost.

Short Ground Times

Through the use of "stepdoors" and efficient ground service techniques, ground time at most intermediate stops has been cut to 2 minutes. You're in and out before you know it.
