General Information

RESERVATIONS: A phone call to any All American office will arrange your flight reservations; they may be made at the airport; or you may make reservations through any travel agent. All American will also arrange all reservations for you on connecting trips via any other scheduled airline, anywhere in the United States or to foreign points.

ROUND TRIPS: There is a discount of 5 percent on all round-trip tickets. All American will also be glad to arrange circle trips for you: going by one route and returning via another, with stop-over privileges at any point along the line. Circle trip tickets are also subject to a 5 percent discount.

BAGGAGE: You are allowed to carry 40 pounds of baggage free on each flight. That is approximately two large suitcases, well packed. If you wish to carry more, the rates are nominal for the excess above the 40-pound limit.

INSURANCE: Air travel insurance is available at all ticket offices at equivalent rates applying to other forms of transportation for domestic or global travel.

AIR MAIL—Air Parcel Post: The Post Office Department now offers Air Parcel Post service, in addition to Air Mail service, to all cities in the Continental United States, Territories and Possessions and foreign countries. Rates are surprisingly low! Business firms and individuals alike have need for this new service on daily or occasional shipments. Call your local Post Office for rates and further information.

AIR EXPRESS: This service, including special door-to-door pick-up and delivery, is available to all principal cities in the United States, Territories and Possessions and Canada. Call your Local Air Express Agent for information.
