WEST COAST AIRLINES

FAST, FREQUENT SERVICE TO IDAHO, OREGON AND WASHINGTON

West Coast Airlines is now serving the heart of the famous Payette Lakes vacation area with a new summer time stop at McCall, Ida. (June 15-Sept. 15). The mile-high Payette Lakes district is one of the most beautiful spots in scenic Central Idaho . . . lakes, heavily-timbered hills and mountains as primitive as the day Lewis and Clark first saw Idaho.

Most of the area is in national forest with a good network of forest service trails which take you back to gem-like mountain lakes in an untouched wilderness splendor which leaves you with the feeling that you are the first person to ever set foot in the area. More information and descriptive literature from your travel agent or local WCA office.
