WEST COAST AIRLINES

A SCHEDULED AIRLINE

ONE of the largest civil airports in the state, the Ephrata Municipal Airport covers 2,300 acres. The longest concrete runway is 7,600 feet long and is capable of handling even the largest airliners. Runways, as well as the new terminal building, are designed for future expansion.

Aviation has played an important role in the progress of the COLUMBIA BASIN and will continue to be a vital factor in the growth of the area. Enjoying the abundant natural advantages in year 'round flying weather, flat terrain and central location, EPHRATA is preparing to welcome the rapidly expanding development of aviation in Washington state.
