WEST COAST'S *"INSTANT"* timetable is easy to use!

1. All possible direct and most connecting flights between cities served by West Coast Airlines are listed.
2. The city index on page 22 lists the page number of your departure city.
3. Turning to your departure city page, you will find your city shown in the gold-colored block.
4. Your destination city is listed alphabetically under your departure city.
5. If your destination city is not listed under your departure city, check the gold-colored block (your departure city) to determine if there is a "For Additional Destinations See From ....." listed.
6. If there is such a listing, check your arrival time at this transfer city and select a connecting flight to your destination.

TIMES — All times shown are local times. Light Print A.M., **Bold Print P.M.** The time zones of your departure and destination cities are also listed, i.e., PST, MST.

FARES — All one-way fares, and all applicable 7-DAY ROUND-TRIP EXCURSION FARES (E $.....), are listed to the right of the destination city. With the exception of fares from Calgary, all fares are quoted in U.S. Currency. Fares are subject to change without notice and apply only via routings shown in WCA official tariffs and do not include the federal transportation tax.
