THE WESTERN AIR FORCE.SM

"THE NEW FORCE IN THE SKY"

The liberation of the American flyer has begun! Western Airlines is taking a bold stand to set air travel on a new course. With unflinching dedication, Western is bringing down high airfares and mobilizing new routes across America. To New York, Baltimore and Washington, D.C. (Dulles) in the East.

To Spokane, Boise, Missoula, the Tri-Cities (Pasco/Kennewick, Richland) and Tucson in the West. There's no stopping the new force in the sky from its appointed mission: to get the country flying high again.

INTRODUCING
LIBERATION FARES
FROM THE WESTERN AIR FORCE

The Western Air Force is going to war on behalf of price-confused air travelers. In a sweeping offensive, Western forces are advancing across the country with new Liberation Fares. When seats are available, you'll never pay more than our Liberation Fare to any Western Airlines city in the continental U.S.

Liberation Fare tickets must be purchased

72 hours after your reservation is confirmed. Seats are limited and any change or cancellation of reservations will result in a \$10 one way, \$20 roundtrip processing fee per person.

Each fare listed below applies from the city listed to anywhere Western Airlines flies in the continental U.S. (not including Hawaii, Canada or Mexico.) Special Liberation fares are available to/from Alaska.

General Information

Reservations — One of our experienced reservation consultants will be happy to help you with information on any destination we serve. When you call to make a reservation, please call at least a day in advance.

Purchasing Tickets — We will be pleased to mail tickets to you if you find it is more convenient, however, you may purchase your ticket at any Western Airlines Ticket Office, travel agency or at the airport. Tickets must be purchased in advance of the flight in accordance with the time limit established when your reservation is made.

Baggage and Personal Belongings — Liability for checked baggage is limited to \$750 per passenger for travel within the United States, (\$9.07 per pound for travel to/from Canada, Mexico) or the actual value, whichever is less. Additional liability coverage may be purchased at check-in time, except for such items as jewelry, money, negotiable papers, antiques, etc. as described in the Tariff.

The free allowance for travel within the U.S. and to/from Canada or Mexico, is one large, one medium, and one small piece, the latter which may be carried on board if it will stow properly. Maximum linear dimensions for the three are 62 inches, 55 inches, and 45 inches respectively, none of which may weigh more than 70 pounds.

Check with a representative of Western regarding specifics, such as excess baggage charges, carriage of hunting and sporting equipment. Maximum under the seat stowage size is 8" x 16" x 21". Baggage should be locked and outside identification must be affixed. Baggage and other hand carried items are subject to security inspection prior to boarding.

Restricted Articles — Baggage may not contain corrosives, explosives or other articles which are easily ignited, matches, flammable liquids, oxidizing materials, poisons, radioactive materials, and compressed gases including aerosol products exceeding 16 ounces per can, 32 ounces per passenger. **Plants, fruits, meats and similar agricultural items cannot be taken into the U.S. without permission. Consult the U.S. Department of Agriculture or the nearest U.S. Foreign Office for details.** Live animals may not travel in the passenger cabin to Hawaii.

Pets — Dogs and cats require a health certificate no more than thirty days old for interstate travel. Cabin carriage may be arranged if the kennel will stow under a seat, except to Hawaii. Ask about other international requirements or restrictions.

Check-in and Boarding Time — In order to provide "on time" service to all our passengers, we request that you arrive at the airport check-in area 45 minutes prior to your scheduled departure time (60 minutes between the U.S. and Canada, or Mexico, and between Hawaii and the mainland). Passengers arriving at the departure gate less than 10 minutes before scheduled departure will have their reservations cancelled (30 minutes for travel between the U.S. and Mexico). Denied Boarding Compensation is not appropriate in connection with such cancellations.

Mexico Travel — Entering as tourists, U.S. and Canadian citizens require proof of citizenship and a Mexican Tourist Card obtainable from the Mexican Consulate, Mexican Tourist Council, or Western Air Lines ticket offices. For other nationalities, check with a Western representative. Proof of citizenship must be carried to Mexico along with the Tourist Card. Mexico departure tax is 300 pesos.

Calgary to Edmonton Travel — Local boarding traffic cannot be carried between Calgary and Edmonton. Edmonton passengers ticketed for travel on Western Airlines to/from other cities may stopover in Calgary in either direction.

Reconfirmation — Reconfirmation for flights from Mexico to the U.S. must be made at least 24 hours prior to scheduled departure time.

U.S. Customs Allowances — Purchases up to \$300 may be brought back by residents of the U.S. duty free, including one quart alcoholic beverage by adults. Traveler must have been absent from the U.S. at least 48 hours, except there is no minimum time for travel from Mexico.

Ground Transportation — Limousines and/or taxi service to and from the airport are available in all cities Western serves. Your Western office or Travel Agent will gladly supply you with complete information when making your travel plans.

Credit Cards — Western welcomes its own Travelcard at all of its ticket-
18

ing and sales locations. Travelcard is also honored by Air Wisconsin, Alaska, Golden West, and Swift Aire, provided part of the travel is on Western. Aloha, Continental, Hawaiian, Frontier and Wien Air Alaska will honor Western's Travelcard when travel is exclusively on these carriers or if part of the travel is on Western. Western also honors the following credit cards:

Universal Air Travel Card, Master Charge (and other Interbank affiliates), ChargeX, Visa (and their affiliates), Diners Club, American Express, Carte Blanche and Bank of the West. In Mexico we honor Bancomer, Banco-O-Matico and Carnet.

Accompanied Children — One child, under 2 years, not occupying a seat will be carried free with a passenger 12 years of age or over on all flights. Children under 2 years occupying a seat, or over 2 and not 12, traveling within Canada and the U.S., will be charged 75% of the adult fares, but must be accompanied by a passenger at least 12 years old on the same flight and in the same compartment of the aircraft. For travel to/from Mexico, or within California, such children are charged 50% of the adult fare.

Unaccompanied Children — Children not yet five may not travel unaccompanied.

Children, ages 5 through 7, may travel alone, on Western only, subject to prior arrangements. Children 8 through 11 may travel alone without restrictions. Unaccompanied children will be charged the full adult fare, with the following exceptions:

Mexico — Unaccompanied children 5 through 11 traveling between points in the U.S., Canada and Mexico will be charged 50% of the adult fare.

Speed Pak Service — Use Speed Pak Service to guarantee shipment of small parcels on any Western flight (except to Canada or Mexico) — just like baggage. Bring your parcel (less than 70 lbs. when the sum of outside length, width and height does not exceed 90" and no one dimension exceeds 48") to the Western BAGGAGE CHECK-IN area at least 15 minutes, or Air Freight office 1 hour, before departure. Then have it picked up at destination on flight arrival. Pick up and delivery door-to-door is available at a nominal fee, and you can pay for all charges with your Western Travelcard and other acceptable credit cards.

Priority Reserved Freight (PRF) — Now available on all of Western's domestic flights. This new priority freight service, designed exclusively for Western freight customers, makes reserving bulk or container freight shipments as easy as reserving a passenger seat. PRF means your shipment has priority space over other freight. Reservations may be confirmed in advance and your freight is guaranteed space on a PRF flight of your choice.

Travel Pass — The validation of \$50 Travel Passes was discontinued March 31, 1982. Fully validated Travel Passes (five validations on one pass) may be redeemed until December 31, 1982.
