Flight Schedules compiled by ABC Travel Information Services
© Reed Telepublishing Limited

Days of Service : 1 = Monday 2 = Tuesday 3 = Wednesday
4 = Thursday 5 = Friday 6 = Saturday 7 = Sunday

GENERAL INFORMATION

CONDITIONS OF CARRIAGE: The general conditions of carriage are available for inspection at any of our airline offices or at the Airport. Zambia Airways timetables show the local airport times of aircraft arrival and departure but are subject to alterations without prior notice. Every effort is made to ensure punctuality of these schedules but the airline cannot accept responsibility for any delays to or suspension of schedules and does not guarantee connections with any other services.

RESERVATIONS: Seats should be reserved as far in advance as possible through Zambia Airways Offices or Agents. If you have to cancel or defer your reservations, please let us know as early as possible and return your ticket.

RECONFIRMATION: If you hold an onward or return reservation, it is necessary to reconfirm your intention to travel with the local reservation office of the carrier at least 72 hours before departure. Failure to do so will result in the cancellation of your reservation.

STOP-OVERS: In most cases you may break your journey at one or more places en-route and retain the benefit of the through fare, provided notice is given at the time of reservation. Hotel expenses are your own responsibility at voluntary stop-over points.

YOUR TICKET: Your ticket is valid only for the date and flight shown thereon and, unless otherwise stated, the return validity is twelve months from the date of outward travel.

YOUR FARE INCLUDES: Carriage by air from airport of embarkation to airport of destination and free baggage allowance, all meals and light refreshments. Alcoholic drinks provided free of charge to first class passengers are available for sale to economy class passengers. Hotel accommodation, meals and transport at transit night-stops are usually provided on transfer to direct connecting services up to maximum of 24 hours.

Hotel accommodation and meals will not be provided at connection points for interline passengers whose journeys on Zambia Airways routes are wholly within the area comprised of: Zimbabwe, Malawi, Zambia, South Africa, South West Africa, Mozambique, Lesotho, Botswana, Swaziland, Zaire, Tanzania and Kenya.

Hotel accommodation at many destinations is very limited. However, Zambia Airways on request, will assist wherever possible. Incidental expenses are payable by the passenger. Though fares are subject to alteration without prior notice, the price of your ticket normally does not change after commencement of your journey, if no change of routes/class occurs.

REDUCED FARES: These are available for groups. Also available are excursion fares; student fares – for students when travelling between their place of education and home.

CHILDREN & INFANTS: An infant under two accompanied by an adult and not occupying a separate seat is charged 10 per cent of the applicable adult fare. Additional infants under two accompanying the same adult and occupying a separate seat and children two years of age and over who have not yet reached their twelfth birthday are charged 50 per cent of the applicable adult fare. Age is taken as at the date of departure of the initial outward flight.

GENERAL INFORMATION

Children may travel unaccompanied, subject to certain conditions with the permission of the parent or guardian. In the child's interest Zambia Airways requires that he/she be escorted to the airport of departure and met at the airport of arrival.

TRAVEL DOCUMENTS: It is the passenger's responsibility to ensure that documents necessary for travel are in order. Zambia Airways cannot accept responsibility for the consequences of any irregularity. Passports, visas and other pertinent documents will have to be shown during your journey, so please carry them, do not pack them!

HEALTH CERTIFICATES: For travel in Africa, it is necessary to have a valid yellow fever certificate. Validity is from 10 days to 10 years from date of primary inoculation.

Due to frequent changes in Cholera regulations you are advised to check the requirements of the country(ies) you intend to visit in sufficient time to obtain inoculations if necessary.

BAGGAGE: The free baggage allowance for passengers including children travelling at half fare paying a First Class fare is 30 kilograms (66 lbs.). Passengers paying an Economy Class fare are allowed 20 kilograms (44 lbs.). There is no free baggage allowance for infants paying 10% of the adult fare. A carrycot or portable cradle is, however, included free.

In addition to the free baggage allowance, the following items may be carried free of charge: a lady's handbag, an overcoat, wrap or blanket, an umbrella or walking stick, a small camera, a pair of binoculars, an invalid's fully collapsible wheelchair, a pair of crutches and a reasonable amount of reading matter for the flight.

RESTRICTIONS: International regulations prohibit or restrict the carriage by air of articles such as the following unless properly packed, labelled and shipped as air cargo: compressed gases, corrosives, explosives, munitions, fireworks, inflammable liquids or solids, oxidising materials, poisons, radioactive materials, offensive or irritating substances.

The use of portable radios, transmitters or television sets is not allowed on board the aircraft as they can cause interference with the aircraft's electronic apparatus. Portable recorders, hearing aids and heart pacemarkers may be used on board.

EXCESS BAGGAGE: Baggage in excess of your allowance will be subject to a charge per kilo which normally is 1% of the first class single fare; if you are travelling with your family or friends, you may group your baggage and thereby benefit from the collective allowance.

UNACCOMPANIED BAGGAGE: Heavy baggage may be shipped at half the basic (under 45 kilos) cargo rate. Baggage which weighs less than 10 kilos (22 lbs.) will be charged at the normal cargo rate. Please take as much advance action as possible for this facility, in order to permit completion of all required clearance formalities.

Customs clearance on departure and arrival is your own responsibility.
