GENERAL INFORMATION

BOOKINGS

It is advisable to make bookings well in advance through CAA Appointed Sales Agents or CAA Booking Offices. Cables and telegraphic charges in respect of bookings are normally your responsibility.

RETURN AND ONWARD BOOKINGS

Return journey reservations should be checked as soon as possible after your outward journey. Similarly, if you are stopping off at any point you are requested to check your onward booking as soon as possible.

STOPOVERS

You may normally break your journey without extra charge, provided it is completed within the period of validity of your ticket and that you notify us when the booking is made. Hotel expenses are, of course, your own responsibility at voluntary stopover points.

CANCELLING OF BOOKINGS

If you have to cancel your reservation, please let us know as soon as possible and return your ticket. We cannot guarantee any refund when reservations are cancelled at short notice or if you fail to tell us that you cannot take up your reservation.

YOUR TICKET

Your ticket is valid only for the date and flight shown thereon and, unless otherwise stated, the return validity is six months from date of outward travel for Regional Mainline and Internal journeys within Africa. For other journeys the validity is twelve months.

LOW-COST TRAVEL BY CAA

A return ticket costs less than two single fares. Also you may purchase special return tickets with a rebate for journeys covering circular trips.

EXCURSION fares, FAMILY fares, ASSOCIATED GROUP TRAVEL CONCESSIONS and REDUCTIONS for SCHOLARS and STUDENTS are available in certain circumstances.

YOUR FARE INCLUDES—

Carriage by air from airport of embarkation to airport of destination, and free baggage allowance, all meals and light refreshments during flight. Hotel accommodation, meals and ground transport are usually provided at nightstops, and on transfer from CAA services to direct connecting services up to a maximum of 24 hours (or in certain circumstances up to 48 hours).

Hotel accommodation and meals will not be provided for interline passengers at connecting points for journeys performed wholly within the area comprising:—

- (a) Rhodesia and Nyasaland, the Republic of South Africa and South West Africa, Portuguese East Africa and the Republic of the Congo or
- (b) East Africa and the Republic of the Congo.

Hotel accommodation at most destinations is very limited. However, CAA will, on request, assist wherever possible. Incidental expenses are payable by the passenger.

AIRPORT FORMALITIES

It is important that you arrive at the Airport Weigh Bay in sufficient time to allow ticket and baggage

check-in formalities to be completed at least 30 minutes before the advertised departure time for Regional and Domestic journeys, and at least 60 minutes for International journeys.

The time shown on the flight coupon is the departure time of the aircraft. The check-in time shown is the latest time at which passengers can be accepted for travel; it allows the minimum time to complete all the formalities. In your own interests you should plan to arrive at the town terminal or airport in good time as this will help to ensure that your aircraft departs on schedule. You are also advised to check local road conditions to avoid possible delay for this reason. Flights cannot be held for passengers arriving late and no responsibility can be accepted in such cases.

Road transport arrangements to the Airport are notified when tickets are purchased.

CHILDREN AND INFANTS

An infant under two years of age accompanied by an adult and not occupying a separate seat is charged 10% of the published fare.

Additional infants under two accompanying the same adult, an infant under two occupying a separate seat, and children aged two but under twelve, are charged half-fare. Age is taken as at the date of departure of the initial outward flight.

PERSONAL BELONGINGS

We request you to take special care, especially at stopping places, of personal articles and of unchecked baggage, as CAA cannot accept responsibility for them.

PASSPORTS, PERMITS AND VISAS

Please ensure that your passport is in order and that you have the necessary visas, permits and endorsements for your journey. CAA staff will gladly give you any advice. Your passport is a valuable and essential document—remember to carry it with you and not to pack it.

If you are bringing your camera back to the Federation you should declare it to Customs at your point of departure from the Federation.

HEALTH REGULATIONS

For travel in Africa it is advisable to have:—

- (a) A valid Yellow Fever Certificate. Validity is from 12 days to 6 years from date of primary inoculation. Re-inoculations are valid at once for 6 years.
- (b) A valid Smallpox Certificate. Validity or primary vaccination from 8 days to 3 years from date of certification of reaction. For re-vaccination it is immediately effective for 3 years.

Health certificates must be of the approved international form and should be carried in your passport. Please check what is necessary for your journey.
